

Participant Notice

Ref: PN18/04

Dated: 6th of April 2018

From: Participant Services

Subject: Confirmation of Amendment to the Participant Manual.

This Notice details a change to the Cboe Europe (“Cboe”) Participant Manual.

Cboe is confirming an amendment to the assessment of the comparable size requirement for Liquidity Provider Program Three when assessing comparable size, any marginal volume in excess of €1,000 is ignored.

Furthermore, the table outlining the information required for email requests regarding erroneous transactions has been simplified.

The changes will be effective as of Friday 20th of April 2018.

A summary of the change is provided in the table below.

Any queries about the change should be addressed to Participant Services at ParticipantServicesEurope@bats.com or +44 (0) 20 7012 8927.

Participant Manual: summary of amendments between RIE version 32 and RIE version 33
