Forward Looking Statements

This press release includes certain disclosures which contain "forward-looking statements." You can identify forward-looking statements because they contain words such as "believes" and "expects." Forward-looking statements are based on Bats' current expectations and assumptions. Because forward-looking statements relate to the future, they are subject to inherent uncertainties, risks and changes in circumstances that may differ materially from those contemplated by the forward-looking statements, which are neither statements of historical fact nor guarantees or assurances of future performance. Important factors that could cause actual results to differ materially from those in the forward-looking statements are set forth in our filings with the SEC, including our final prospectus filed pursuant to Rule 424(b) and our quarterly reports on Form 10-Q, under the caption "Risk Factors."
