

New CFE Products Being Added in April 2020-Update

Reference ID: C20200033010

New Contract Details

The contracts listed below will be added by Cboe Futures Exchange, LLC (“CFE”) in April 2020. Please note the associated month/year or futures symbol, listing date, last trading day, and final settlement date for each contract. This notice is being updated to reflect that CFE will not be listing a Cboe/CBOT 10-Year Treasury Note Volatility Index (VXTY) futures contract in April.

If a contract trades during only a portion of its final settlement date, a specific closing time is noted. If no time is indicated, trading in a contract on its last trading day ends at the close of regular trading hours for the contract.
