Subject: Bank of America MITTS Linked to the Dow Jones Industrial Average

Background Information on the Security

As more fully set forth in the Prospectus Supplement (333-158663), the Market Index Target Term Securities ("MITTS") are senior unsecured debt securities issued by Bank of America Corporation ("Bank of America") and are not guaranteed or insured by the Federal Deposit Insurance Corporation or secured by collateral. The MITTS provide investors with a 100% participation rate in increases in the level of the Dow Jones Industrial Average (the "Index") from the Starting Value of the Index, determined on the pricing date, subject to a maximum return as described in the pricing supplement. Investors must be willing to forgo interest payments on the MITTS and be willing to accept a return that is capped. The MITTS have a \$10 principal amount and provide for 100% principal protected at maturity. Bank of America will not pay interest on the MITTS.

The MITTS will rank equally with all other unsecured and unsubordinated debt of Bank of America, and any payments due on the MITTS, including any repayment of principal, will be subject to the credit risk of Bank of America.

It is expected that the market value of the MITTS will depend substantially on the value of the Index at the maturity valuation period, as described in the prospectus, and be affected by a number of other interrelated factors, including, among other things: the general level of interest rates, the volatility of the Index, the time remaining to maturity, the dividend yield of the stocks comprising the Index, and the credit ratings of Bank of America.

For additional information regarding the Securities, including the applicable risk factors, please consult the Prospectus Supplement, filed with the Securities and Exchange Commission by Bank of America.

Exchange Rules Applicable to Trading in the Shares

The Shares are considered equity securities, thus rendering trading in the Shares subject to the Exchange's existing rules governing the trading of equity securities.

Trading Hours

Trading in the shares on EDGA and EDGX Exchanges (the "Exchanges") is on a UTP basis and is subject to the Exchanges equity trading rules. The shares will trade from 8:00 a.m. until 8:00 p.m. Eastern Time. Members trading the shares during the Extended Market Sessions (Pre-opening and Post-closing sessions) are exposed to the risk of the lack of the calculation or dissemination of underlying index value or intraday indicative value ("IIV"). For certain

derivative securities products, an updated underlying index value or IIV may not be calculated or publicly disseminated in the Extended Market hours. Since the underlying index value and IIV are not calculated or widely disseminated during Extended Market hours, an investor who is unable to calculate implied values for certain derivative securities products during Extended Market hours may be at a disadvantage to market professionals.

Trading Halts

The Exchanges will halt trading in the Shares of a Trust in accordance with Exchange Rules 14.1(c)(4). The grounds for a halt under this Rule include a halt by the primary market because it stops trading the Shares and/or a halt because dissemination of the IIV or applicable currency spot price has ceased, or a halt for other regulatory reasons. In addition, the Exchanges will stop trading the Shares of a Trust if the primary market de-lists the Shares.

Delivery of a Prospectus

Pursuant to federal securities laws, investors purchasing Shares must receive a prospectus prior to or concurrently with the confirmation of a transaction. Investors purchasing Shares directly from the Fund (by delivery of the Deposit Amount) must also receive a prospectus.

Prospectuses may be obtained through the Distributor or on the Fund's website. The Prospectus does not contain all of the information set forth in the registration statement (including the exhibits to the registration statement), parts of which have been omitted in accordance with the rules and regulations of the SEC. For further information about the Fund, please refer to the Trust's registration statement.

This Regulatory Information Circular is not a statutory Prospectus. Members should consult the Trust's Registration Statement, SAI, Prospectus and the Fund's website for relevant information.
