RE: Modification of the Options Regulatory Fee ([Replaces RG18-023](#))

Replaces C2 Options Regulatory Circular RG18-023

Cboe C2 Exchange, Inc. (“C2 Options”) expects to file with the Securities and Exchange Commission (“SEC”) a rule change to increase the Options Regulatory Fee (“ORF”) from \$0.0011 to \$0.0012 per option contract. C2 Options Regulatory Circular RG18-023 incorrectly identified the ORF rate as changing from \$0.0011 to \$0.00119. Subject to SEC review, the effective date of this fee change is February 1, 2019.
