RE: Consolidated Audit Trail Clock Synchronization Notice to Industry Members

As previously communicated, Industry Members must complete an annual certification for Business Clock Synchronization by March 15th of each year. A reminder notification can also be found on the CAT NMS Plan website via this [link](#). The national securities exchanges and Financial Industry Regulatory Authority, Inc. (“FINRA”) previously issued a Consolidated Audit Trail (“CAT”) notice regarding clock synchronization, including information on the Business Clock synchronization requirement, synchronization procedures, violation reporting, and annual certifications which is available via this [link](#). A clock synchronization certification form is available via this [link](#).
