Re: **2002 Annual Election Process**

The Nominating Committee's slate of candidates for the Board of Directors, the Nominating Committee and the MTS Appointments Committee was posted on the Exchange bulletin boards and the members' Internet site on October 8, 2002. Candidates in the 2002 annual election should be aware of the following procedures relating to the annual election to be held on Friday, November 15, 2002. The procedures are derived from the Exchange's Constitution and Rules and Board of Directors approved recommendations of the Governance Task Force.

Petition Process

Nominations of candidates made by petition must be signed by not less than 100 voting members of the Exchange. Petitions must be submitted to the Office of the Secretary by 5:00 p.m. on October 28, 2002. After October 28, 2002, members cannot petition against the slate.

Once the petition signatures are verified, valid petition candidates' names will be posted on the Exchange's bulletin boards and the members' Internet site. Both the Nominating Committee's slate and the list of petition candidates are published in the Exchange Bulletin.

Mailing Lists

For campaign purposes, candidates may request in writing from the Office of the Secretary a mailing list of voting members. Membership mailing lists will be provided in the form of a computer printout or computer disk. Mailing labels will not be provided. Candidates are responsible for processing their own campaign mailings.

Campaign Materials

Members and associated persons of members are advised that creation or distribution of unsigned, defamatory, false, or other inappropriate election or campaign materials may be viewed as engaging in conduct inconsistent with just and equitable principles of trade in violation of CBOE Rule 4.1. Violation of this Rule could lead to Exchange disciplinary proceedings or other Exchange action.

Election Process

The annual election meeting is held on the third Friday in November each year. The 2002 annual election meeting will be held at 3:30 p.m. on Friday, November 15, 2002.

Notice

Written notice of the annual election meeting is mailed to members entitled to vote not more than 60 days and not less than 10 days prior to the date of the meeting. The notice states the purpose, date, time and place of the annual election meeting. Notice is deemed to be given by mail at the time of deposit in the U.S. Mail.

After expiration of the nomination by petition period, the Office of the Secretary will prepare a ballot listing all candidates. According to the Constitution, the order of listing on the ballot is chosen by lot. The ballot will mention whether candidates have been nominated by petition or by the Nominating Committee. The positions for which the candidates qualify are also noted on the ballot.

Candidates should submit a brief biographical sketch (approximately 250 words) to the Office of the Secretary no later than Monday, October 28, 2002. Petition candidates who submit their petitions on October 28, 2002 will be given an additional day to submit biographical sketches. The Exchange reserves the right to edit the sketches, which will be mailed with the voting materials.

The Office of the Secretary mails the notice, ballot, proxy, an envelope marked "For Ballot Only", a return envelope and any Exchange-prepared supplemental materials to all voting members. We expect to mail the voting materials to voting members by Friday, November 1, 2002.

Voting

Members entitled to vote may cast a ballot in-person or by proxy. The ballot is unsigned and sealed in the ballot envelope. Members voting by proxy must deliver, by mail or otherwise, the sealed ballot and signed proxy to the Office of the Secretary so that it is received prior to the annual election meeting. At least two election assistants will be available to accept sealed ballots and proxies from members in-person on the trading floor prior to the meeting and accept ballots from members voting at the meeting. The Election Committee keeps records of the members voting and oversees the security of the voting documents and records.

Electioneering is prohibited near the voting stations on the trading floor.

Quorum

The quorum requirement for the 2002 election is a majority of the members entitled to vote. If a quorum is not reached by 3:30 p.m. on Friday November 15, 2002, the meeting will be adjourned until the following business day at 3:30 p.m. Ballots and proxies will continue to be collected on the trading floor, by mail and by delivery until 3:30 p.m. the day that quorum is reached and the annual meeting held.

Election Results

After the election meeting is adjourned, the Election Committee separates the ballots and proxies, then opens the sealed ballot envelopes and counts the votes. An auditor from an independent accredited accounting firm will observe the counting of the ballots.

A plurality of votes will elect nominees for the Board of Directors, the Nominating Committee and the MTS Committee. The candidate receiving the highest vote totals among those candidates qualified for the particular position will be elected. Conceivably, this could result in the election of a candidate with fewer total votes, over a candidate with a higher vote total who is qualified only for limited positions.

Once the votes are counted, the Election Committee will post the election results on the Exchange's 4th floor bulletin board, the Members' Internet site, and on the Voting Results Hotline (312) 786-8150. Results will also be published in the Exchange Bulletin.
