Regulatory Circular RG07-42

Date: April 5, 2007

To: Members, Member Firms and Clearing Firms

From: Department of Market Regulation

Re: CBSX Order Origin Code Requirements

This circular is being issued to inform the membership of the Chicago Board Options Exchange's (CBOE) rules relating to the account origin codes when accepting orders either electronically, via telephone or in person for the CBOE Stock Exchange (CBSX). Since various rules of trading procedure distinguish between orders of differing origin, the correct code must be recorded on ALL orders at the time of entry to insure proper execution.

CBSX Origin Codes
