Every registered broker-dealer is required by SEC rule¹ to file FOCUS Report X-17A-5 Part IIA (CBOE) and Schedule I for the calendar year ended December 31, 2007.

Enclosed you will find FOCUS Report Part IIA (CBOE) and Schedule I. Every Exchange member and member organization registered with the SEC as a broker-dealer whose designated examining authority is the CBOE and who does not file FOCUS monthly, must file a FOCUS Report Part IIA (CBOE) **and** Schedule I for calendar year 2007 no later than **MARCH 3, 2008** with the Exchange's Department of Member Firm Regulation.

The CBOE will compile the data and forward a computer file containing the data to the Securities and Exchange Commission.

In an effort to reduce processing time and errors in the preparation of FOCUS filings, the CBOE has entered into an agreement with Chicago Mercantile Exchange Holdings, Inc, and the National Futures Association to utilize Winjammer, an electronic FOCUS filing system. CBOE members are encouraged to file electronically. Those who file electronically are required to use WinJammer, which provides for the direct electronic

submission of FOCUS reports to the CBOE. This program eliminates the need for a paper copy filing. WinJammer is a personal computer program that requires the installation of WinJammer software and a Personal Identification Number ("PIN"). The PIN will be provided by the CBOE upon the member's completion of the WinJammer Software License Agreement and PIN Agreement (enclosed). The Department needs to receive all license agreements as soon as possible, in order to ensure you will receive your PIN and file your FOCUS in time to meet the **MARCH 3, 2008** filing deadline. To obtain the software, go to the WinJammer website at www.wjammer.com, click on the "download" tab at the top of the page, and download the Main WinJammer Program Version 4.0.7. You will also need to download FOCUS Report IIA (CBOE) Version 1.2 and FOCUS Report Schedule I Version 1.1, if you have not previously filed a FOCUS report. Click on the "documentation" tab to download the WinJammer instructions.

WinJammer Version 4.0.7 System Requirements:

In order to run **WinJammer 4.0.7** you must be running Windows 95 or higher.

It is highly recommended that you use at least a Pentium-Class computer with Internet Explorer with 32 MB of RAM and 130 MB of free disk space. Specific instructions are listed in the Quick Start Guide or the Internet Transmission instructions, which are provided with the WinJammer software.

To obtain a WinJammer pin number if you don't already have one, please contact Mike LaGioia at (312) 786-7728 or lagioia@cboe.com, Donald Sitarz at (312) 786-7414 or sitarz@cboe.com, or Tyson Wilson (312) 786-7011 or wilsont@cboe.com with the Department of Member Firm Regulation. For technical questions related to WinJammer's installation and use, please contact the CBOE Systems Help Desk at (312) 786-8835 or consult the downloadable instructions.

Filing Requirements:

Every member and member organization registered with the SEC as a broker-dealer for which the Exchange is the Designated Examining Authority is required to file FOCUS Report Form X-17A-5 Part IIA (CBOE) and Schedule I. Therefore, if you are a nominee of a broker-dealer and have an individual broker-dealer registration, two FOCUS filings must be made, one for your individual broker-dealer registration, and one for the firm's.

ATTENTION: CBT Exercisers and Lessors

Even if you did not execute any trades on the CBOE during calendar year 2007, if you have a broker-dealer registration with the SEC, you are still required to file FOCUS Report Form X-17A-5 Part IIA (CBOE) and Schedule I.

Please Note:

In filling out FOCUS Report Form X-17A-5 and Schedule I, it is very important that the following points be observed:
