RE: Restrictions on Transactions in
Trico Marine Services, Inc. ("TRMA")

Effective September 8, 2010, the NASDAQ suspended trading in Trico Marine Services, Inc. (TRMA). Trading in Trico Marine Services, Inc. has commenced on the Other OTC market under the symbol TRMAQ.

Trading on the CBOE in existing series of TRMAQ options will be subject to the following restrictions. Only closing transactions may be effected in any series of TRMAQ options except for (i) opening transactions by Market-Makers executed to accommodate closing transactions of other market participants and (ii) opening transactions by TPH organizations to facilitate the closing transactions of public customers executed as crosses pursuant to and in accordance with CBOE Rule 6.74(b) or (d).

The execution of opening transactions in TRMAQ options, except as permitted above, and/or the misrepresentation as to whether an order is opening or closing, will constitute a violation of CBOE rules, and may result in disciplinary action. TPH organizations should ensure that they have appropriate procedures in place to prevent their customers from entering opening orders in this restricted option class. In addition, transactions in contravention of this restriction may be subject to nullification pursuant to Exchange Rule 6.25.

There are no restrictions in place with respect to the exercise of TRMAQ options. The provisions of this circular apply to any options on TRMAQ traded on CBOE.

Any questions regarding this circular may be directed to Kerry Winters at (312) 786-7312 or Tanja Samardzija at (312) 786-7722.
