

IMPORTANT MEMORANDUM

TO: Trading Permit Holders

FROM: Department of Member Firm Regulation

DATE: January 11, 2011

SUBJECT: FOCUS REPORT (Form X-17A-5)

2010 Year-End Filing Due MARCH 1, 2011

EXCHANGE Mike LaGioia (312) 786-7728 **CONTACTS:** Don Sitarz (312) 786-7414

Leo Rutkowski (312) 786-7749

Every registered broker-dealer is required by SEC rule¹ to file FOCUS Report X-17A-5 and Schedule I for the calendar year ended December 31, 2010.

Every Trading Permit Holder registered with the SEC as a broker-dealer for whom the Exchange is the Designated Examining Authority, and who does not file FOCUS monthly, must file a FOCUS Report Part IIA (CBOE) and Schedule I for calendar year 2010 no later than MARCH 1, 2011 with the Exchange's Department of Member Firm Regulation.

Please note that if you are a nominee of a broker-dealer <u>and</u> have an individual broker-dealer registration, <u>two</u> FOCUS filings must be made, one for your <u>individual</u> broker-dealer registration, and one for the <u>firm</u>. Also, **This circular also applies to other individuals and entities who may not necessarily be actively trading <u>but are still registered broker-dealers</u> and for whom the CBOE is the <u>Designated Examining Authority ("DEA")</u>. That is, even if you did not execute any trades on the CBOE during calendar year 2010, if you have a broker-dealer registration with the SEC, you are still required to file FOCUS Report Form X-17A-5 Part IIA (CBOE) and Schedule I.**

¹ SEC Rule 17a-10(a).

The CBOE will compile the data and forward a computer file containing the data to the SEC.

In an effort to reduce processing time and errors in the preparation of FOCUS filings, the CBOE has entered into an agreement with Chicago Mercantile Exchange Holdings, Inc, and the National Futures Association to utilize Winjammer, an electronic FOCUS filing system. CBOE Trading Permit Holders are encouraged to file with CBOE using the online WinJammer system. Some highlights of the application include:

- Application is web based so you do not need to install WinJammer on a computer.
- Transmissions to regulators will be handled by the application when you indicate
 the statement is ready for submission eliminating the need for you to send
 emails with attachments.
- Application uses a Universal Signer Authorization Agreement (PIN agreement) so that once an individual is approved as a signer they will be able to submit statements to any regulator that is part of WinJammer under this one agreement (this also eliminates the need for PIN numbers as your WinJammer ID and password will be tied to the authorization form).

Part of the setup of this application involves the DEA (or DSRO for FCMs) adding broker-dealers and an initial security manager for the firm. The security manager will be the individual who will initially access the WinJammer site to add other users should you so desire, and set their access level.

If you do not yet have access to wjammer.com you will need to identify the security manager and provide the following information:

- Broker-Dealer Name
- Tax Identification Number
- Security Manager Name
- Phone Number
- Email Address

Please provide this information to one of the individuals listed at the bottom of this circular. Once the information is obtained, CBOE will be contacting the security manager and providing details on how to add additional users and set their access level, as well as instructions on how to create and submit statements. For technical questions related to the WinJammer system, please consult the instructions on the WinJammer website (www.wjammer.com).

FOCUS Reports may no longer be filed using the former PC-based system. Paper

filings are still acceptable.

Please Note:

In completing FOCUS Report Form X-17A-5 and Schedule I, it is very important that the following points be observed:

- 1. <u>Your filing must be accurate.</u> You may wish to consult your accountant for assistance in satisfying your filing obligations.
- All entries should pertain to your business as a broker-dealer. You need not list assets, liabilities or revenue derived outside your broker-dealer activity.
