RE: December 2012 Fee Changes

This circular explains December 2012 changes to the Fees Schedule for Chicago Board Options Exchange, Inc. (the "Exchange" or "CBOE").

10 Gigabit Ethernet Network Access

Beginning December 1, 2012, the Exchange will provide CBOE market participants 10 Gigabit ("10 Gbps") network access to its trading systems in the Equinix NY4 facility (CBOE moved its trading systems to NY4 on December 3, 2012) for \$3,000 per month (\$6,000 per month for Sponsored Users). The Exchange continues to offer 1 Gbps network access for \$500 per month for access to its trading systems.

Disaster Recovery Network Access Port

Following the move to NY4, Disaster Recovery Systems will be accessed via Network Access Ports in Chicago. The fee for a Disaster Recovery Port will be \$250 per month (\$500 for Sponsored Users).
