

## Regulatory Circular RG13-100

**Date:** July 15, 2013

**To:** Trading Permit Holders

**From:** Regulatory Services Division

**RE:** Format Change to Market-Maker Equity Trade (MMET) and Market-Maker Stock Position (MMSTK) Files

---

This circular updates Regulatory Circulars RG13-051 and RG13-079. Regulatory Circular RG13-051 announced a format change to the Market-Maker Equity Trade (MMET) and Market-Maker Stock Position (MMSTK) data files that are submitted on a daily basis and a June 28, 2013 deadline to submit the data files in the new format. Regulatory Circular RG13-079 extended the deadline to July 26, 2013.

The purpose of this circular is to advise Trading Permit Holders that the July 26, 2013 deadline to submit the data files in the new format has been suspended until further notice. In the interim, firms should continue to submit data files on a daily basis in the existing format. Alternatively, firms may submit the data files in the new format once they have completed testing. Note that the Exchange recommends that firms successfully transmit and test at least a week's worth of test files before migrating to the new format.
