## Regulatory Circular RG14-150

**Date:** October 30, 2014

**To:** Trading Permit Holders

**From:** Market Operations Department

**RE:** Restrictions on Transactions in Cal Dive International, Inc (DVR)

---

Effective October 30, 2014, Cal Dive International, Inc (DVR) will be delisted from the NYSE and will move its listing to the Other-OTC market under the symbol CDVI. The DVR option symbol will remain the same for one day and change to CDVI effective for Friday, October 31, 2014. Therefore, trading in CDVI options will be subject to restrictions.

Trading on CBOE in existing series of CDVI options will be subject to the following restrictions. Only closing transactions may be affected in any series CDVI options except for (i) opening transactions by Market-Makers executed to accommodate closing transactions of other market participants and (ii) opening transactions by CBOE TPH organizations to facilitate the closing transactions of public customers executed as crosses pursuant to and in accordance with CBOE Rule 6.74(b) or (d).

The execution of opening transactions in CDVI options, except as permitted above, and/or the misrepresentation as to whether an order is opening or closing, will constitute a violation of CBOE rules, and may result in disciplinary action. TPH organizations should ensure that they have appropriate procedures in place to prevent their customers from entering opening orders in this restricted option class. In addition, transactions in contravention of this restriction may be subject to nullification pursuant to Exchange Rule 6.25.

There are no restrictions in place with respect to the exercise of CDVI options.

In addition, effective October 30, 2014 the Automated Improvement Mechanism (AIM) will be deactivated in all series of Cal Dive International, Inc. (CDVI). Any reactivation of AIM in the above-listed class in the future will be announced via Regulatory Circular.
