## Regulatory Circular RG14-172

**Date:** December 11, 2014

**To:** Trading Permit Holders, Market Maker Handheld Vendors and Users

**From:** Business Development Division

**RE:** Market Maker Trade Notification Enhancement

---

### **This Regulatory Circular updates Regulatory Circular RG14-155**

This circular announces that the implementation of the Market-Maker Trade Notification (MMTN) message enhancement to give TPH users time of execution and Trade Through alert codes on transactions between a Market-Maker and a PAR operator announced in [RG14-155](#) has been postponed. Any future changes to the status of this enhancement will be announced via Regulatory Circular.
