Regulatory Circular RG15-010

Date: January 21, 2015

To: Trading Permit Holders
From: Business Development and Systems Divisions
RE: February 7, 2015 Back-Up Data Center Test

Updates Regulatory Circular RG15-003

This circular provides additional information regarding mandatory back-up data center testing CBOE will be conducting on Saturday, February 7, 2015. During this test, CBOE will simulate a failure at CBOE's Equinix NY4 primary data center and a recovery to back-up systems at CBOE's 400 South LaSalle Street data center.

The test script for the February 7, 2015 test is now available on the API systems website at <https://systems.cboe.com>.

Please refer to Regulatory Circular RG15-003, which remains in effect, for details on the mandatory back-up data center test.

Additional Information:

Please contact the CBOE Help Desk, at 866-728-2263, or Matt Danaher, at (312)786-8810, for additional information regarding operational questions.

Questions regarding the rule requirement to participate in the mandatory testing may be directed to the Regulatory Interpretation and Guidance Line, (312) 786-8141 or RegInterps@cboe.com.
