RE: Restrictions on Transactions in Portugal Telecom, SGPS S.A. (PT)

Effective March 30, 2015, Portugal Telecom, SGPS S.A. (PT) was delisted from the NYSE and moved its listing to the Other-OTC market under the symbol PTGCY. The PT option symbol will remain the same for one day and change to PTGCY effective for Tuesday, March 31, 2015. Therefore, trading in PT options on March 30, 2015 and trading in PTGCY options commencing on March 31, 2015 will be subject to restrictions.

Trading on CBOE in existing series of PT/PTGCY options will be subject to the following restrictions. Only closing transactions may be affected in any series PT/PTGCY options except for (i) opening transactions by Market-Makers executed to accommodate closing transactions of other market participants and (ii) opening transactions by CBOE TPH organizations to facilitate the closing transactions of public customers executed as crosses pursuant to and in accordance with CBOE Rule 6.74(b) or (d).

The execution of opening transactions in PT/PTGCY options, except as permitted above, and/or the misrepresentation as to whether an order is opening or closing, will constitute a violation of CBOE rules, and may result in disciplinary action. TPH organizations should ensure that they have appropriate procedures in place to prevent their customers from entering opening orders in this restricted option class. In addition, transactions in contravention of this restriction may be subject to nullification pursuant to Exchange Rule 6.25.

There are no restrictions in place with respect to the exercise of PT/PTGCY options.

In addition, effective March 30, 2015 the Automated Improvement Mechanism (AIM) will be deactivated in all series of (PT/PTGCY) options. Any reactivation of AIM in this option class in the future will be announced via Regulatory Circular.
