## CBOE Regulatory Circular RG15-170

**Date:** November 23, 2015

**To:** CBOE Trading Permit Holders and Vendors

**From:** Market Operations

**RE:** Change to Closing Time on Last Day of Trading for Expiring MSCI EAFE Index (MXEA) Options

---

Beginning with the standard monthly option expiration on December 18, 2015, CBOE plans to change the closing time for expiring MXEA options on their last trading day from 10:00 a.m. (CT) to 3:00 p.m. (CT), subject to regulatory approval.<sup>1</sup> CBOE is making this change because the MSCI EAFE Index will now be calculated and disseminated through the close of trading on U.S. markets starting on December 1, 2015. All non-expiring MXEA options will continue to trade until 3:15 p.m. (CT).
