

CBOE Regulatory Circular RG17-119

Date: August 24, 2017
To: Trading Permit Holders
From: Business Development Division
RE: CTM Terminal Enhancement - Delayed

This circular updates circular RG17-118

The enhancements to the CTM terminal announced in circular RG17-118, which will require the designation of a "Reason Code" when a trade record is added, deleted, or if certain fields are edited have been delayed. The activation of these enhancements will be announced via circular prior to implementation.
