RE: PAR Calculator Tutorial

On Wednesday, October 18, from 3:30 to 4:30 p.m., we will be conducting a PAR calculator information session in the Auditorium located on the 4th floor of the CBOE building. This session is intended to educate PAR operators on the usage of the PAR calculator functionality, which automatically determines contra quantities and valid leg prices for complex order executions, including ratio orders, executed within the displayed net leg market for the strategy.
