Updates Cboe Options [RG17-133](#)

Cboe Options Exchange (“Cboe Options”) Regulatory Circular RG17-133 stated, in part, that beginning the week of November 13, 2017 submission of paper Cabinet orders and trades below \$1 per contract would no longer be allowed on Cboe Options.

The above restrictions are now delayed until further notice. A subsequent circular will be distributed if/when these restrictions are put in place.
