Re: Laser Pointers

It has come to the Committee's attention that laser pointers have been used by clerks, staff or members on the trading floor. Needless to say, the use of laser pointers may cause physical harm and therefore creates a potentially dangerous situation. **Effective immediately, the use of laser pointers on the trading floor is prohibited.** Any further use of laser pointers will be considered Unbusinesslike Conduct and appropriate fines will be imposed pursuant to Exchange Rule 17.50, Imposition of Fines for Minor Rule Violations, as they relate to violations of the Exchange's trading conduct and decorum policies under Exchange Rule 6.20 -Admission to and Conduct on the Trading Floor .

Any questions regarding this matter may be directed to a member of the Floor Officials Committee or the Trading Floor Liaison Group.
