

REGULATORY CIRCULAR RG99-121

Date: May 11, 1999

To: Members and Applicants for Membership

From: Membership Department

Re: Membership Application and Other Membership Fees

Exchange Rules 2.22 and 3.9 authorize the Board of Directors to impose fees and the Membership Department to investigate all applicants for membership, respectively. All applicants for CBOE membership, regardless of their Designated Examining Authority or standing at other self-regulatory organizations, are investigated and assessed the appropriate fees. This includes all persons associated within applicant member organizations, i.e., general and limited partners, executive officers, principal shareholders, and LLC members and managers. Moreover, investigations are conducted and the fees for such associated persons are assessed each time a new person of such status becomes associated with the firm, as well as at the time an initial application is filed.

In connection with this process, member organizations are reminded of their obligation under CBOE Rule 3.5(b) to file with the Exchange and keep current a list and descriptive identification of those persons associated with the member organization who are its executive officers, directors, principal shareholders, general and limited partners, and LLC members and managers. Member organizations who have not fulfilled this obligation should do so by filing such a list with the Membership Department.
