

Regulatory Circular RG 99-130

Date: May 27, 1999  
To: Members and Member Firms  
From: Market Performance Committee  
Re: Options on Custom Tracks Corp. (HQU)

The Market Performance Committee (MPC), by its authority under the provisions of Exchange Rule 8.7(b)(iv), has temporarily established modified bid/ask differentials in the option series on Custom Tracks Corp. (HQU). Due to the volatility in the underlying stock, HQU options may be twice as wide as the markets allowed under the provisions of Rule 8.7. This relief is granted from the opening of business on May 27, 1999 through the June 1999 Expiration Cycle unless withdrawn by the Committee prior to that time.

The Market Performance Committee will continue to monitor the activity in the underlying security of HQU options, and will modify the bid/ask differentials in the respective options accordingly.
