1. Text of the Proposed Rule Change

(a) EDGX Exchange, Inc. (“Exchange” or “EDGX”) proposes to amend Rule 11.9 to make certain changes consistent with the upcoming implementation of the adoption of Rule 15c3-5 under the Act (the “Market Access Rule”).<sup>1</sup> The Exchange has designated this proposal as non-controversial and requests the Commission waive the 30-day operative waiting period contained in Rule 19b-4(f)(6)(iii) under the Act.<sup>2</sup> If such waiver is granted by the Commission, the Exchange shall implement this rule proposal on July 14, 2011.

(c) Inapplicable.

The proposed rule change was approved by senior management of the Exchange pursuant to authority delegated by the Board of Directors of the Exchange on April 27, 2010. Exchange staff will advise the EDGX Exchange Board of Directors of any action taken pursuant to delegated authority. No other action is necessary for the filing of the rule change. Therefore, the Exchange's internal procedures with respect to the proposed change are complete.

3. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

(a) Purpose

On November 3, 2010, the Commission adopted the Market Access Rule,<sup>3</sup> pursuant to which, among other things, broker-dealers providing market access are required to implement certain pre-order entry checks in order to manage the financial,

regulatory, and other risks associated with providing its customers with market access. In anticipation of the upcoming July 14, 2011 compliance date for the Market Access Rule, the Exchange is proposing to amend EDGX Rule 11.9 to describe the manner in which the Exchange's affiliated routing broker-dealer, Direct Edge ECN, LLC d/b/a DE Route ("DE Route") will handle routable orders consistent with the Market Access Rule.

In order to comply with the Market Access Rule, DE Route proposes to implement, as part of the procedures of DE Route, certain tests, on both an order-by-order basis and over a short period of time, that are designed to limit the financial exposure that could arise as a result of market access and to ensure compliance with all regulatory requirements that are applicable in connection with market access. Consistent with the requirements of the Market Access Rule, these tests are designed to reject orders that DE Route deems to be erroneous or duplicative, would cause the entering Member's credit exposure to exceed a preset credit threshold, or are non-compliant with applicable pre-trade regulatory requirements (as defined in the Market Access Rule). To the extent DE Route determines, based on its procedures, that an order should be rejected, DE Route may also seek to cancel orders that have already been routed away.

(b) Statutory Basis

The Exchange believes that its proposal is consistent with the requirements of the Act and the rules and regulations thereunder that are applicable to a national securities exchange, and, in particular, with the requirements of Section 6(b) of the Act.<sup>4</sup> In particular, the proposed change is consistent with Section 6(b)(5) of the Act,<sup>5</sup> because it would promote just and equitable principles of trade, and, in general, protect investors and the public interest. The proposed rule is consistent with the requirements of the Act because the change is necessary for the Exchange's affiliated broker-dealer, DE Route, to comply with the Market Access Rule. The Exchange also believes that the proposed changes will benefit Members of the Exchange because it provides clarity on the procedures employed by DE Route consistent with the Market Access Rule.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

6. Extension of Time Period for Commission Action

Not applicable.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The Exchange has designated this rule filing as non-controversial under Section 19(b)(3)(A)(iii) of the Act<sup>6</sup> and Rule 19b-4(f)(6) thereunder.<sup>7</sup> The Exchange asserts that the proposed rule change: (1) will not significantly affect the protection of investors or the public interest, (2) will not impose any significant burden on competition, and (3) will not become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate. As described above, the changes proposed in this filing are necessary for the Exchange's affiliated broker-dealer, DE Route, to comply with the Market Access Rule. Because the proposed rule is designed to conform the Exchange's rules to a Commission rule the proposal qualifies for immediate effectiveness as a "non-controversial" rule change under paragraph (f)(6) of Rule 19b-4.<sup>8</sup>

As noted above, the change described in this filing is proposed in order to modify the Exchange's rules to ensure consistency with the Market Access Rule, which becomes effective on July 14, 2011. Accordingly, the Exchange respectfully requests that the Commission waive the 30-day operative delay so that the proposed rule change may become effective and operative upon filing with the Commission pursuant to Section 19(b)(3)(A) of the Act and paragraph (f)(6) of Rule 19b-4 thereunder. Such waiver will permit the Exchange's affiliated broker-dealer, DE Route, to comply with the Market Access Rule when such rule becomes effective.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

(Release No. 34- ; File No. SR-EDGX-2011-20)

[Date]

Self-Regulatory Organizations; EDGX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Amendment to EDGX Rule 11.9.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on July 13, 2011, EDGX Exchange, Inc. (the "Exchange" or "EDGX") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Rule 11.9 to make certain changes consistent with the upcoming implementation of the adoption of Rule 15c3-5 under the Act (the "Market Access Rule").<sup>3</sup> The text of the proposed rule change is attached as Exhibit 5 and is available on the Exchange's website at [www.directedge.com](http://www.directedge.com), at the Exchange's principal office, and at the Public Reference Room of the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning

<sup>3</sup> 17 CFR 15c3-5.

the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

Purpose

On November 3, 2010, the Commission adopted the Market Access Rule,<sup>4</sup> pursuant to which, among other things, broker-dealers providing market access are required to implement certain pre-order entry checks in order to manage the financial, regulatory, and other risks associated with providing its customers with market access. In anticipation of the upcoming July 14, 2011 compliance date for the Market Access Rule, the Exchange is proposing to amend EDGX Rule 11.9 to describe the manner in which the Exchange's affiliated routing broker-dealer, Direct Edge ECN, LLC d/b/a DE Route ("DE Route") will handle routable orders consistent with the Market Access Rule.

In order to comply with the Market Access Rule, DE Route proposes to implement, as part of the procedures of DE Route, certain tests, on both an order-by-order basis and over a short period of time, that are designed to limit the financial exposure that could arise as a result of market access and to ensure compliance with all regulatory requirements that are applicable in connection with market access. Consistent with the requirements of the Market Access Rule, these tests are designed to reject orders that DE Route deems to be erroneous or duplicative, would cause the entering Member's

credit exposure to exceed a preset credit threshold, or are non-compliant with applicable pre-trade regulatory requirements (as defined in the Market Access Rule). To the extent DE Route determines, based on its procedures, that an order should be rejected, DE Route may also seek to cancel orders that have already been routed away.

#### Basis

The Exchange believes that its proposal is consistent with the requirements of the Act and the rules and regulations thereunder that are applicable to a national securities exchange, and, in particular, with the requirements of Section 6(b) of the Act.<sup>5</sup> In particular, the proposed change is consistent with Section 6(b)(5) of the Act,<sup>6</sup> because it would promote just and equitable principles of trade, and, in general, protect investors and the public interest. The proposed rule is consistent with the requirements of the Act because the change is necessary for the Exchange's affiliated broker-dealer, DE Route, to comply with the Market Access Rule. The Exchange also believes that the proposed changes will benefit Members of the Exchange because it provides clarity on the procedures employed by DE Route consistent with the Market Access Rule.

#### B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

#### C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

<sup>6</sup> 15 U.S.C. 78f(b)(5).

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>7</sup> and Rule 19b-4(f)(6)(iii) thereunder.<sup>8</sup>

A proposed rule change filed under Rule 19b-4(f)(6)<sup>9</sup> normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),<sup>10</sup> the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become effective and operative upon filing with the Commission. Specifically, the Exchange believes that the waiver is appropriate because such waiver will permit the Exchange's affiliated broker-dealer, DE Route, to comply with the Market Access Rule when such rule becomes effective.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

(g) Market Access. In addition to the Exchange Rules regarding routing to away trading centers, DE Route, as defined in Rule 2.11, has, pursuant to Rule 15c3-5 under the Act, implemented certain tests designed to mitigate the financial and regulatory risks associated with providing the Exchange's Members with access to such away trading centers. Pursuant to the policies and procedures developed by DE Route to comply with Rule 15c3-5, if an order or series of orders are deemed to be erroneous or duplicative, would cause the entering Member's credit exposure to exceed a preset credit threshold, or are non-compliant with applicable pre-trade regulatory requirements (as defined in Rule 15c3-5), DE Route will reject such orders prior to routing and/or seek to cancel any orders that have been routed.
