1. Text of the Proposed Rule Change

Pursuant to the provisions of Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> BATS Exchange, Inc. (the “Exchange” or “BATS”) is filing with the Securities and Exchange Commission (“Commission”) a proposed rule change to amend BATS Rule 11.13(a)(3)(G) to add reference to two variations of the TRIM routing strategy. The Exchange has designated this proposal as non-controversial and provided the Commission with the notice required by Rule 19b-4(f)(6)(iii) under the Act.<sup>3</sup> The Exchange requests that the Commission waive the 30-day operative delay contained in Rule 19b-4(f)(6)(iii) under the Act.<sup>4</sup>

Routing options may be combined with all available order types and times-in-force, with the exception of order types and times-in-force whose terms are inconsistent with the terms of a particular routing option. The System will consider the quotations only of accessible markets. The term “System routing table” refers to the proprietary process for determining the specific trading venues to which the System routes orders and the order in which it routes them. The Exchange reserves the right to maintain a different System routing table for

2. Procedures of the Self-Regulatory Organization

The proposed rule change was approved by senior management of the Exchange pursuant to authority delegated by the Board of Directors of the Exchange on November 10, 2009. Exchange staff will advise the Board of Directors of the Exchange of any action taken pursuant to delegated authority. No other action is necessary for the filing of the rule change.

Questions regarding this rule filing may be directed to Eric Swanson, Senior Vice President and General Counsel of the Exchange at (913) 815-7000.

3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change.

(a) Purpose

The purpose of the proposed rule change is to add references in Rule 11.13(a)(3)(G) to two variations of the TRIM routing strategy, to be identified as TRIM2

and TRIM3. The TRIM routing strategy checks the System for available shares if so instructed by the entering User and then routes to destinations on the System routing table. The TRIM routing strategy is focused on seeking execution of orders while minimizing execution costs by routing to certain low cost execution venues on the Exchange's System routing table. No changes to the functionality of the TRIM routing strategy are proposed by this filing. The Exchange, however, is proposing to offer two additional variations for TRIM routing, TRIM2 and TRIM3, which in each case will offer a different routing table to be used pursuant to the TRIM routing strategy. Specifically, both TRIM2 and TRIM3 will route to fewer venues than the full list of TRIM routing venues.

(b) Statutory Basis

Approval of the rule change proposed in this submission is consistent with the requirements of the Act and the rules and regulations thereunder that are applicable to a national securities exchange, and, in particular, with the requirements of Section 6(b) of the Act.<sup>5</sup> In particular, the proposed change is consistent with Section 6(b)(5) of the Act,<sup>6</sup> because it would promote just and equitable principles of trade, remove impediments to, and perfect the mechanism of, a free and open market and a national market system, and, in general, protect investors and the public interest. The proposed change to introduce additional variations of an existing routing strategy will provide market participants with greater flexibility in routing orders consistent with Regulation NMS without developing complicated order routing strategies on their own.

4. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any written comments from members or other interested parties.

6. Extension of Time Period for Commission Action

Not applicable.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The Exchange has designated this rule filing as non-controversial under Section 19(b)(3)(A) of the Act<sup>7</sup> and paragraph (f)(6) of Rule 19b-4 thereunder.<sup>8</sup> The Exchange asserts that the proposed rule change: (1) will not significantly affect the protection of investors or the public interest, (2) will not impose any significant burden on competition, and (3) and will not become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate. In addition, the Exchange provided the Commission with written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing, or such shorter time as designated by the Commission.<sup>9</sup> The Exchange notes that this proposal does not propose any new policies or provisions that are unique or unproven. As described above, the proposed rule change is being filed to

add reference to variations of the TRIM routing strategy, TRIM2 and TRIM3. The only difference between each of the TRIM routing strategy variations are the specified venues to which an order will route. For the foregoing reasons, this rule filing qualifies for immediate effectiveness as a “non-controversial” rule change under paragraph (f)(6) of Rule 19b-4.

The Exchange respectfully requests that the Commission waive the 30-day operative delay so that the proposed rule change may become effective and operative upon filing with the Commission pursuant to Section 19(b)(3)(A) of the Act<sup>10</sup> and paragraph (f)(6) of Rule 19b-4 thereunder.<sup>11</sup> Waiver of this requirements, specified in Rule 19b-4(f)(6),<sup>12</sup> will allow the Exchange to immediately offer Exchange Users additional variations of the TRIM routing strategy. The Exchange believes that its proposed variations of the TRIM routing strategy will benefit market participants and their customers by allowing them greater flexibility in their efforts to fill orders and minimize trading costs. The Exchange does not believe that benefits to Exchange Users expected from the proposed rule change should be delayed. Further, introduction of the additional optional variations of the TRIM routing strategy will not require any systems changes by Exchange Users that would necessitate a delay, as selection of the TRIM2 and TRIM3 variations is entirely optional and Users will not be affected by the change unless they select to use the newly offered variations. The Exchange provides these services in a highly competitive market in which participants may avail themselves of a

wide variety of routing options offered by self-regulatory organizations, alternative trading systems, other broker-dealers, market participants' own proprietary routing systems, and service bureaus. In such an environment, system enhancements such as the changes proposed in this rule filing do not burden competition, because they can succeed in attracting order flow to the Exchange only if they offer investors higher quality and better value than services offered by others. Based on the foregoing, the Exchange believes that its proposal should become immediately effective and requests that the Commission waive the 30-day operative delay contained in Rule 19b-4(f)(6)(iii) under the Act.<sup>13</sup> Waiver of this requirement is consistent with the protection of investors and the public interest for the reasons described above.

Self-Regulatory Organizations; BATS Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change to Add Reference to Additional Variations of an Existing Routing Strategy.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on February 1, 2012, BATS Exchange, Inc. (the “Exchange” or “BATS”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is filing with the Commission a proposed rule change to amend BATS Rule 11.13(a)(3)(G) to add reference to two variations of the TRIM routing strategy.

The text of the proposed rule change is available at the Exchange’s website at <http://www.batstrading.com>, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it

<sup>2</sup> 17 CFR 240.19b-4.

received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to add references in Rule 11.13(a)(3)(G) to two variations of the TRIM routing strategy, to be identified as TRIM2 and TRIM3. The TRIM routing strategy checks the System for available shares if so instructed by the entering User and then routes to destinations on the System routing table. The TRIM routing strategy is focused on seeking execution of orders while minimizing execution costs by routing to certain low cost execution venues on the Exchange's System routing table. No changes to the functionality of the TRIM routing strategy are proposed by this filing. The Exchange, however, is proposing to offer two additional variations for TRIM routing, TRIM2 and TRIM3, which in each case will offer a different routing table to be used pursuant to the TRIM routing strategy. Specifically, both TRIM2 and TRIM3 will route to fewer venues than the full list of TRIM routing venues.

2. Statutory Basis

Approval of the rule change proposed in this submission is consistent with the requirements of the Act and the rules and regulations thereunder that are applicable to a national securities exchange, and, in particular, with the requirements of Section 6(b) of

the Act.<sup>3</sup> In particular, the proposed change is consistent with Section 6(b)(5) of the Act,<sup>4</sup> because it would promote just and equitable principles of trade, remove impediments to, and perfect the mechanism of, a free and open market and a national market system, and, in general, protect investors and the public interest. The proposed change to introduce additional variations of an existing routing strategy will provide market participants with greater flexibility in routing orders consistent with Regulation NMS without developing complicated order routing strategies on their own.

(B) Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change imposes any burden on competition.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>5</sup> and Rule 19b-4(f)(6)(iii) thereunder.<sup>6</sup>

<sup>5</sup> 15 U.S.C. 78s(b)(3)(A).

<sup>6</sup> 17 CFR 240.19b-4(f)(6).

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposal is consistent with the Act.

Comments may be submitted by any of the following methods:
