1. Text of the Proposed Rule Change

(a) EDGA Exchange, Inc. (“EDGA” or the “Exchange”) is filing with the Securities and Exchange Commission (the “Commission”) a proposed rule change to terminate its revenue sharing program with Correlix, Inc. (“Correlix”).

(b) Not applicable.

(c) Not applicable.

2. Procedures of the Self-Regulatory Organization

The proposed rule change was approved by senior management of the Exchange pursuant to authority delegated by the Board of Directors of the Exchange on April 27, 2010. Exchange staff will advise the EDGA Exchange Board of Directors of any action taken pursuant to delegated authority. No other action is necessary for the filing of the rule change. Therefore, the Exchange’s internal procedures with respect to the proposed change are complete.

The individual on the Exchange staff prepared to respond to questions about and comments regarding the proposed rule change is:

Thomas N. McManus  
Chief Regulatory Officer  
EDGX Exchange, Inc.

3. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

(a) Purpose

The Exchange proposes to eliminate its revenue sharing program with Correlix which was adopted to provide Users<sup>1</sup> with real-time analytical tools to measure latency of orders to and from the System. In 2010, the Exchange entered into an agreement with Correlix, under which the Exchange receives 30% of the total monthly subscription fees received by Correlix from parties who contracted directly with Correlix to use its RaceTeam latency measurement service for EDGA.<sup>2</sup> The Exchange proposes to terminate the revenue sharing relationship with Correlix due to the lack of customer interest in the measurement tools offered.

---

<sup>1</sup> As defined in EDGA Rule 1.5(ee).

<sup>2</sup> See Exchange Act Release No. 62928 (September 17, 2010), 75 FR 58002 (September 23, 2010) (SR-EDGA-2010-09).

(b) Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6 of the Securities and Exchange Act of 1934 (“Act”),<sup>3</sup> in general, and with Section 6(b)(5) of the Act,<sup>4</sup> in particular, in that the proposal is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Specifically, the Exchange believes ending the revenue sharing agreement for a product customers have not chosen to utilize is responsive to market participants and eliminates confusion about offered products.

4. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended. Specifically, the Exchange believes that terminating the revenue sharing agreement will not burden competition since the latency measurement tools are not currently being used by any customers.

5. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from its Members or other interested parties.

6. Extension of Time Period for Commission Action

Not applicable.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2) or Section 19(b)(7)(D)

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>5</sup> and Rule 19b-4(f)(6) thereunder.<sup>6</sup>

<sup>4</sup> 15 U.S.C. 78f(b)(5).

<sup>5</sup> 15 U.S.C. 78s(b)(3)(A).

Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

Furthermore, a proposed rule change filed under Rule 19b-4(f)(6) under the Act<sup>7</sup> normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),<sup>8</sup> the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest.

The Exchange requests that the Commission waive the 30-day operative delay and designate the proposed rule change to become effective upon filing, so as to eliminate confusion on the part of potential customers regarding the availability of the Correlix RaceTeam offering. The Exchange represents that there are no customers currently using Correlix's RaceTeam latency measurement service.

8. Proposed Rule change Based on Rules of Another Self-Regulatory Organization or of the Commission

Not applicable.

## Self-Regulatory Organizations; EDGA Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Terminate Revenue Sharing Agreement

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on August 8, 2012, EDGA Exchange, Inc. ("EDGA" or the "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

The text of the proposed rule change is attached as Exhibit 5 and is available on the Exchange's website at [www.directedge.com](http://www.directedge.com), at the Exchange's principal office, and at the Public Reference Room of the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it

received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

Purpose

The Exchange proposes to eliminate its revenue sharing program with Correlix, which was adopted to provide Users<sup>3</sup> with real-time analytical tools to measure latency of orders to and from the System. In 2010, the Exchange entered into an agreement with Correlix, under which the Exchange receives 30% of the total monthly subscription fees received by Correlix from parties who contracted directly with Correlix to use its RaceTeam latency measurement service for EDGA.<sup>4</sup> The Exchange proposes to terminate the revenue sharing relationship with Correlix due to the lack of customer interest in the measurement tools offered.

Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,<sup>5</sup> in general, and with Section 6(b)(5) of the Act,<sup>6</sup> in particular, in that the proposal is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and

<sup>4</sup> See Exchange Act Release No. 62928 (September 17, 2010), 75 FR 58002 (September 23, 2010) (SR-EDGA-2010-09).

coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Specifically, the Exchange believes ending the revenue sharing agreement for a product customers have not chosen to utilize is responsive to market participants and eliminates confusion about offered products.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended. Specifically, the Exchange believes that terminating the revenue sharing agreement will not burden competition since the latency measurement tools are not currently being used by any customers.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from its Members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed,

or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>7</sup> and Rule 19b-4(f)(6) thereunder.<sup>8</sup>

A proposed rule change filed under Rule 19b-4(f)(6)<sup>9</sup> normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),<sup>10</sup> the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing to eliminate confusion on the part of potential customers regarding the availability of the Correlix RaceTeam offering. The Exchange represents that there are no customers currently using Correlix's RaceTeam latency measurement service.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in the furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

<sup>7</sup> 15 U.S.C. 78s(b)(3)(A).

<sup>8</sup> 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of the filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

<sup>10</sup> 17 CFR 240.19b-4(f)(6)(iii).
