1. Text of the Proposed Rule Change

(a) EDGX Exchange, Inc. (“Exchange” or “EDGX”) proposes to amend its fees and rebates applicable to Members<sup>1</sup> of the Exchange pursuant to EDGX Rule 15.1(a) and (c). Text of the proposed rule change is attached as Exhibit 5.

(b) Inapplicable.

(c) Inapplicable.

2. Procedures of the Self-Regulatory Organization

The proposed rule change was approved by senior management of the Exchange pursuant to authority delegated by the Board of Directors of the Exchange on April 27, 2010. Exchange staff will advise the EDGX Exchange Board of Directors of any action taken pursuant to delegated authority. No other action is necessary for the filing of the rule change. Therefore, the Exchange's internal procedures with respect to the proposed change are complete.

The person on the Exchange staff prepared to respond to questions and comments on the proposed rule change is:

Thomas N. McManus  
Chief Regulatory Officer  
EDGX Exchange

3. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

(a) Purpose

The Exchange proposes to amend the percentage associated with the “added liquidity” to “removed liquidity” ratio in part (ii) of the Investor Tier (Footnote 13) from 70% to 60% and pluralize “Member.” Therefore, Footnote 13, will read, “Members can qualify for an Investor Tier and be provided a rebate of \$0.0030 per share if they meet the following criteria: (i) on a daily basis, measured monthly, posts an ADV of at least 8 million shares on EDGX where added flags are defined as B, HA, V, Y, MM, 3, or 4; (ii) have an “added liquidity” to “removed liquidity” ratio of at least 60% where added flags are defined as B, HA, V, Y, MM, 3, or 4 and removal flags are defined as BB, MT, N, W, PI, or 6; and (iii) have a message-to-trade ratio of less than 6:1.”

<sup>1</sup> A Member is any registered broker or dealer, or any person associated with a registered broker or dealer, that has been admitted to membership in the Exchange.

### Codification of Late Fees

Currently, the Exchange charges additional fees to Members that fail to pay all dues, fees, assessments and charges owed to the Exchange by the prescribed due date. Exchange Rule 15.1(a) states that the Exchange may prescribe such reasonable dues, fees, assessments or other charges as it may, in the Exchange discretion, deem appropriate. In addition, paragraph 13 of the Exchange's User Agreement,<sup>2</sup> which is signed by all Members as part of their membership in the Exchange, also provides that the Member agrees to pay the Exchange a late charge of 1% per month on all past due amounts that are not the subject of a legitimate and bona fide dispute. The Exchange proposes to codify this language in Footnote d on its fee schedule stating that the Exchange will assess a charge of 1% per month on the past due portion of the balance on a Member's account that is past due. This fee will begin to accrue on a daily basis for items not paid within the 30 day payment terms until the item is paid in full. Late fees incurred will be included as line items on subsequent invoices.

The Exchange proposes to implement these amendments to its fee schedule on June 1, 2012.

#### (b) Basis

The Exchange believes that the proposed rule changes are consistent with the objectives of Section 6 of the Securities and Exchange Act of 1934 (the "Act"),<sup>3</sup> in general, and furthers the objectives of Section 6(b)(4),<sup>4</sup> in particular, as it is designed to provide for the equitable allocation of reasonable dues, fees and other charges among its members and other persons using its facilities.

The Exchange proposes to amend the percentage associated with the "added liquidity" to "removed liquidity" ratio in part (ii) of the Investor Tier (Footnote 13) from 70% to 60% because the Exchange believes that a ratio of at least 60% represents a more appropriate criterion for Members to qualify for a rebate of \$0.0030 per share associated with the Investor Tier. The Exchange believes the proposed ratio incentivizes Members to direct a high quality order flow to the Exchange because the Exchange believes that such high quality liquidity provisions will encourage price discovery and market transparency and improve investor protection by encouraging growth in liquidity. In addition, the Exchange also believes that the proposal is non-discriminatory because it applies uniformly to all Members.

<sup>2</sup> See the User Agreement posted to the Exchange's website at: <http://www.directedge.com/Portals/0/docs/MembDocs/EDGX%20Complete%20Exch%20Appl%201%20%28V%202.0%29.pdf>.

<sup>3</sup> 15 U.S.C. 78f.

<sup>4</sup> 15 U.S.C. 78f(b)(4).

In order to provide additional transparency to Members, the Exchange proposes to codify its existing policy regarding late fees in Footnote d of the fee schedule. The Exchange believes that by including proposed Footnote d it will help to promote market transparency and improve investor protection by displaying the Exchange's policy regarding late fees to Members on its fee schedule along with the Exchange's other rebates and charges. The Exchange also notes that it is equitable and reasonable to charge a Member a late fee on past due balances because it offsets administrative and collection costs associated with past due accounts and incentivizes Members to pay on time in accordance with the terms of the Member's User Agreement. In addition, a late fee of 1% is reasonable because it is in line with the late fees assessed by other exchanges.<sup>5</sup> The Exchange believes that the proposal is non-discriminatory because it applies to all Members.

The Exchange also notes that it operates in a highly-competitive market in which market participants can readily direct order flow to competing venues if they deem fee levels at a particular venue to be excessive. The proposed rule change reflects a competitive pricing structure designed to incent market participants to direct their order flow to the Exchange. The Exchange believes that the proposed rates are equitable and non-discriminatory in that they apply uniformly to all Members. The Exchange believes the fees and credits remain competitive with those charged by other venues and therefore continue to be reasonable and equitably allocated to Members.

#### 4. Self-Regulatory Organization's Statement on Burden on Competition

This proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Exchange Act.

#### 5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

(Release No. 34- ; File No. SR-EDGX-2012-19)

[Date]

Self-Regulatory Organizations; EDGX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Amendments to the EDGX Exchange, Inc. Fee Schedule

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on May 31, 2012 the EDGX Exchange, Inc. (the "Exchange" or "EDGX") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its fees and rebates applicable to Members<sup>3</sup> of the Exchange pursuant to EDGX Rule 15.1(a) and (c). All of the changes described herein are applicable to EDGX Members. The text of the proposed rule change is

available on the Exchange's Internet website at <http://www.directedge.com>, at the Exchange's principal office, and at the Public Reference Room of the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

Purpose

The Exchange proposes to amend the percentage associated with the “added liquidity” to “removed liquidity” ratio in part (ii) of the Investor Tier (Footnote 13) from 70% to 60% and pluralize “Member.” Therefore, Footnote 13, will read, “Members can qualify for an Investor Tier and be provided a rebate of \$0.0030 per share if they meet the following criteria: (i) on a daily basis, measured monthly, posts an ADV of at least 8 million shares on EDGX where added flags are defined as B, HA, V, Y, MM, 3, or 4; (ii) have an “added liquidity” to “removed liquidity” ratio of at least 60% where added flags are defined as B, HA, V, Y, MM, 3, or 4 and removal flags are defined as BB, MT, N, W, PI, or 6; and (iii) have a message-to-trade ratio of less than 6:1.”

### Codification of Late Fees

Currently, the Exchange charges additional fees to Members that fail to pay all dues, fees, assessments and charges owed to the Exchange by the prescribed due date. Exchange Rule 15.1(a) states that the Exchange may prescribe such reasonable dues, fees, assessments or other charges as it may, in the Exchange discretion, deem appropriate. In addition, paragraph 13 of the Exchange's User Agreement,<sup>4</sup> which is signed by all Members as part of their membership in the Exchange, also provides that the Member agrees to pay the Exchange a late charge of 1% per month on all past due amounts that are not the subject of a legitimate and bona fide dispute. The Exchange proposes to codify this language in Footnote d on its fee schedule stating that the Exchange will assess a charge of 1% per month on the past due portion of the balance on a Member's account that is past due. This fee will begin to accrue on a daily basis for items not paid within the 30 day payment terms until the item is paid in full. Late fees incurred will be included as line items on subsequent invoices.

The Exchange proposes to implement these amendments to its fee schedule on June 1, 2012.

### Basis

The Exchange believes that the proposed rule changes are consistent with the objectives of Section 6 of the Act,<sup>5</sup> in general, and furthers the objectives of Section 6(b)(4),<sup>6</sup> in particular, as it is designed to provide for the equitable allocation of

<sup>5</sup> 15 U.S.C. 78f.

<sup>6</sup> 15 U.S.C. 78f(b)(4).

reasonable dues, fees and other charges among its members and other persons using its facilities.

The Exchange proposes to amend the percentage associated with the “added liquidity” to “removed liquidity” ratio in part (ii) of the Investor Tier (Footnote 13) from 70% to 60% because the Exchange believes that a ratio of at least 60% represents a more appropriate criterion for Members to qualify for a rebate of \$0.0030 per share associated with the Investor Tier. The Exchange believes the proposed ratio incentivizes Members to direct a high quality order flow to the Exchange because the Exchange believes that such high quality liquidity provisions will encourage price discovery and market transparency and improve investor protection by encouraging growth in liquidity. In addition, the Exchange also believes that the proposal is non-discriminatory because it applies uniformly to all Members.

In order to provide additional transparency to Members, the Exchange proposes to codify its existing policy regarding late fees in Footnote d of the fee schedule. The Exchange believes that by including proposed Footnote d it will help to promote market transparency and improve investor protection by displaying the Exchange’s policy regarding late fees to Members on its fee schedule along with the Exchange’s other rebates and charges. The Exchange also notes that it is equitable and reasonable to charge a Member a late fee on past due balances because it offsets administrative and collection costs associated with past due accounts and incentivizes Members to pay on time in accordance with the terms of the Member’s User Agreement. In addition, a late fee of 1% is reasonable because it is in line with the late fees assessed by other

exchanges.<sup>7</sup> The Exchange believes that the proposal is non-discriminatory because it applies to all Members.

The Exchange also notes that it operates in a highly-competitive market in which market participants can readily direct order flow to competing venues if they deem fee levels at a particular venue to be excessive. The proposed rule change reflects a competitive pricing structure designed to incent market participants to direct their order flow to the Exchange. The Exchange believes that the proposed rates are equitable and non-discriminatory in that they apply uniformly to all Members. The Exchange believes the fees and credits remain competitive with those charged by other venues and therefore continue to be reasonable and equitably allocated to Members.

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3) of the Act<sup>8</sup> and Rule 19b-4(f)(2)<sup>9</sup> thereunder. At any time within 60 days of the filing of

---

such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

<b>RZ</b>	<b>Routed to BATS BZX, adds liquidity</b>	<b>(0.0025)</b>
<b>SW<sup>8</sup></b>	<b>Routed using SWPA/SWPB/SWPC routing strategies (except for removal of liquidity from NYSE)</b>	<b>0.0031</b>

<sup>1</sup> Members can qualify for the Mega Tier and be provided a rebate of \$0.0034 per share for all liquidity posted on EDGX if they add or route at least 4,000,000 shares of average daily volume (“ADV”) prior to 9:30 AM or after 4:00 PM (includes all flags except 6) AND add a minimum of 20,000,000 shares of ADV on EDGX in total, including during both market hours and pre and post-trading hours. Alternatively, Members can also qualify for the Mega Tier, but will be provided a rebate of \$0.0032 per share for all liquidity posted on EDGX if they add or route at least 4,000,000 shares of ADV prior to 9:30 AM or after 4:00 PM (includes all flags except 6) and add a minimum of .20% of the Total Consolidated Volume (“TCV”) on a daily basis measured monthly, including during both market hours and pre and post-trading hours. In addition, for meeting the aforementioned criteria, Members will pay a reduced rate for removing liquidity of \$0.0029 for Flags N, W, and 6.

Members can qualify for the Mega Tape B Tier and be provided a \$0.0034 rebate per share for liquidity added on EDGX in Tape B securities if the Member on a daily basis, measured monthly: (i) posts greater than or equal to .10% of the TCV in ADV more than their January 2012 ADV added to EDGX; and (ii) posts greater than or equal to .10% of the TCV in ADV in Tape B securities more than their January 2012 ADV added to EDGX.

Members can also qualify for the Mega Tier and be provided a \$0.0032 rebate per share for liquidity added on EDGX in either of two ways: (i) if the Member on a daily basis, measured monthly, posts 0.75% of the TCV in ADV; or (ii) if the Member on a daily basis, measured monthly, posts 0.12% of the TCV in ADV more than their February 2011 ADV added to EDGX. TCV is defined as volume reported by all exchanges and trade reporting facilities to the consolidated transaction reporting plans for Tapes A, B and C securities for the month prior to the month in which the fees are calculated.

Members can qualify for the Ultra Tier and be provided a \$0.0031 rebate per share for liquidity added on EDGX if the Member on a daily basis, measured monthly, posts 0.50% of TCV in ADV to EDGX.

Members can qualify for the Mini Tape B Tier and be provided a \$0.0030 rebate per share for liquidity added on EDGX in Tape B securities if the Member on a daily basis, measured monthly: (i) posts greater than or equal to .05% of the TCV in ADV more than their January 2012 ADV added to EDGX; and (ii) posts greater than or equal to .05% of the TCV in ADV in Tape B securities more than their January 2012 ADV added to EDGX.

Members can qualify for the Super Tier and be provided a \$0.0028 rebate per share for liquidity added on EDGX if the Member on a daily basis, measured monthly, posts 10,000,000 shares or more of ADV to EDGX.

Members that post 0.065% of the TCV in ADV more than their February 2011 ADV added to EDGX will qualify for a \$0.0028 per share rebate (unless they otherwise qualify for a higher rebate).

Any Member meeting the following criteria: (i) adding 10,000,000 shares or more of ADV of liquidity to EDGX, (ii) where such added liquidity on EDGX is at least 5,000,000 shares of ADV greater than the previous calendar month; and (iii) but for the liquidity added on EDGX, such Member would have qualified for a better rebate with respect to liquidity added on another exchange or ECN that the Member previously qualified for in the three calendar months prior to meeting the above-described criteria in (i) and (ii), shall be reimbursed the difference between the rebate received and the rebate potentially received, so long as source documentation evidencing the above is provided to the Exchange within fifteen (15) calendar days from the end of the relevant month. A Member can only receive reimbursement with respect to two consecutive calendar months. With respect to the second calendar month's

reimbursement, the relevant period in determining whether criteria (iii) is satisfied is the period three calendar months prior to the first of the two consecutive calendar months the Member meets the above-described criteria in (i) and (ii).

<sup>2</sup> Intentionally omitted.

<sup>3</sup> Stocks priced below \$1.00 on the NYSE are charged \$0.0023 per share when removing liquidity. Stocks priced below \$1.00 are charged 0.10% of the dollar value of the transaction when routed to BX and removing liquidity in Tapes A, B, & C securities. Stocks priced below \$1.00 are charged 0.30% of the dollar value of the transaction when routed to NASDAQ and removing liquidity in securities on all Tapes.

<sup>4</sup> Intentionally omitted.

<sup>5</sup> Capped at \$10,000 per month per Member.

<sup>6</sup> If Member posts an average of 100,000 shares or more per day using strategy ROLF (yielding Flag M), then said Member's fee when removing liquidity from LavaFlow decreases to \$0.0023 per share (yielding Flag U).

<sup>7</sup> Intentionally omitted.

<sup>8</sup> Flag D is assigned and a fee of \$0.0023 per share is assessed if either an SWPA, SWPB, or SWPC routing strategy removes liquidity from NYSE.

<sup>9</sup> A Flag "O" will be yielded and a fee of \$0.0005 per share will be assessed if an order is routed to NYSE Arca & BATS BZX's closing processes.

<sup>10</sup> Stocks priced below \$1.00 are charged \$0.0010 per share.

<sup>11</sup> If a Member posts 10,000,000 shares or more of ADV to EDGX, then the Member's rate for internalization (Flags 5, EA or ER) decreases to \$0.0001 per share per side.

For Flags EA or ER, if a Member internalizes more than 4% of their ADV on EDGX (added, removed, and routed liquidity) and the Member, at a minimum, meets the criteria for the Mega Tier rebate of \$0.0032 per share in footnote 1, above, then the Member receives the applicable rebate in footnote 1 for adding liquidity, or is charged the applicable removal rate in footnote 1 or 12.

<sup>12</sup> A removal rate of \$0.0029 per share applies where an MPID's add liquidity ratio is equal to or greater than 10%. The add liquidity ratio is defined as "added" flags/("added" flags + "removal" flags) x 100, where added flags are defined as B, HA, V, Y, MM, 3, or 4 and removal flags are defined as BB, MT, N, W, PI, or 6. The removal rate of \$0.0029 per share applies to single MPIDs only as share volume calculations for wholly owned affiliates cannot be aggregated across multiple MPIDs on a prospective basis. Where a Member does not meet the add liquidity ratio of at least 10%, then a removal rate of \$0.0030 per share applies.

<sup>13</sup> [A] Members can qualify for an Investor Tier and be provided a rebate of \$0.0030 per share if they meet the following criteria: (i) on a daily basis, measured monthly, posts an ADV of at least 8 million shares on EDGX where added flags are defined as B, HA, V, Y, MM, 3, or 4; (ii) have an "added liquidity" to "removed liquidity" ratio of at least [70] 60% where added flags are defined as B, HA, V, Y, MM, 3, or 4 and removal flags are defined as BB, MT, N, W, PI, or 6; and (iii) have a message-to-trade ratio of less than 6:1.

<sup>a</sup> Upon a Member's request, EDGX will aggregate share volume calculations for wholly owned affiliates on a prospective basis.

<sup>b</sup> Trading activity on days when the market closes early does not count toward volume tiers.

<sup>c</sup> Receipt of the maximum rebate for which a Member is eligible depends upon an average inbound message-to-trade ratio being equal to or less than 100:1, measured monthly, where the message-to-trade ratio equals total messages (orders, cancels, and cancel/replaces) divided by executions. The Exchange counts all fills against an order as one trade for purposes of executions. Where a Member exceeds the 100:1 message-to-trade ratio, measured monthly, the Exchange will reduce its rebates by \$0.0001 per share, without regard to the rebate tier for which the Member qualifies.

The following Members are exempt from this reduction in rebate: (i) All Members that send less than 1,000,000 messages/day to the Exchange; and (ii) Registered Market Makers provided that they are registered in at least 100 securities over the course of a month and are meeting their continuous, two-sided quoting obligations under Rule 11.21(d) on at least 10 consecutive trading days in the month. With respect to (ii) above, the Exchange notes that all MPIDs that are wholly-owned affiliates of the Member are exempt from MEIP as long as one MPID satisfies the above criteria for an exemption from the reduction in rebate.

The Exchange may exclude one or more days of data for purposes of calculating the message-to-trade ratio for a Member if the Exchange determines, in its sole discretion, that one or more Members or the Exchange was experiencing a bona fide system problem.

<sup>d</sup> A charge of 1% per month on the past due portion of the balance will be assessed on a Member's account that is past due. This fee will begin to accrue on a daily basis for items not paid within the 30 day payment terms until the item is paid in full. Late fees incurred will be included as line items on subsequent invoices.
