(“EDGX” or the “Exchange”) proposes to amend EDGX Rule 11.14 to extend the operation of the single stock circuit breaker pilot program (the “Pilot”) from the current scheduled expiration date of February 4, 2013 until the earlier of the initial date of operations of the Regulation NMS Plan to Address Extraordinary Market Volatility (the “Plan”) or February 4, 2014.
- (b) The Exchange does not believe that the proposed rule change will have any direct effect, or any significant indirect effect, on any other Exchange rule in effect at the time of this filing.
- (c) Not applicable.

3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

(a) Purpose

The Exchange proposes to amend EDGX Rule 11.14 to extend the operation of the Pilot from the current scheduled expiration date of February 4, 2013<sup>1</sup> until the earlier of the initial date of operations of the Plan or February 4, 2014. The Pilot will continue to operate as to individual securities until such security is subject to the Plan.

EDGX Rule 11.14 requires the Exchange to pause trading in an individual security listed on the Exchange if the primary listing market for such stock issues a trading pause. Such trading pause will continue until trading has resumed on the primary listing market. However, the Exchange may resume trading in such stock if trading has not resumed on the primary listing market and ten minutes have passed since the individual stock trading pause message has been received from the responsible single plan processor. The Pilot was developed and implemented as a market-wide initiative by the Exchange and other national securities exchanges in consultation with the Securities and Exchange Commission (the “Commission”) staff and is currently applicable to all NMS stocks and specified exchange-traded products.<sup>2</sup>

The extension proposed herein would allow the Pilot to continue to operate without interruption until implementation of the Plan.<sup>3</sup> The Plan will begin initial

operations on April 8, 2013.<sup>4</sup> If the Plan has an initial date of operations before February 4, 2014, the proposed Pilot for trading pauses would expire at that time.

(b) Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Securities Exchange Act of 1934 (the “Act”),<sup>5</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act,<sup>6</sup> in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. The Exchange believes that the change proposed herein meets these requirements in that it promotes uniformity across markets concerning decisions to pause trading in a security when there are significant price movements, which promotes just and equitable principles of trade and removes impediments to, and perfects the mechanism of, a free and open market and a national market system. Additionally, extension of the Pilot until the earlier of the initial date of operations of the Plan or February 4, 2014 would allow the Pilot to continue to operate without interruption while the Exchange and the Commission further assess the effect of the Pilot on the marketplace or whether other initiatives should be adopted in lieu of the current Pilot, which contributes to the protection of investors and the public interest.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed changes are being made to extend the Pilot until the earlier of the initial date of operations of the Plan or February 4, 2014 would allow the Pilot to continue to operate without interruption until implementation of the Plan, which contributes to the protection of investors and the public interest. Other competing equity exchanges are subject to the same trading pause requirements specified in the Plan. Thus, the proposed changes will not impose any burden on competition while providing trading pause requirements specified in the Plan.

6. Extension of Time Period for Commission Action

Not applicable.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The Exchange believes that the proposal qualifies for immediate effectiveness upon filing as a “non-controversial” rule change in accordance with Section 19(b)(3)(A) of the Act<sup>7</sup> and Rule 19b-4(f)(6) thereunder.<sup>8</sup>

The Exchange asserts that the proposed rule change (i) will not significantly affect the protection of investors or the public interest, (ii) will not impose any significant burden on competition, and (iii) by its terms, will not become operative for 30 days after the date of this filing, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest. In addition, the Exchange provided the Commission with written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing, or such shorter time as the Commission may designate.

The Exchange believes that this proposal is non-controversial and eligible to become effective immediately because it extends the operation of the Pilot that promotes uniformity across markets concerning decisions to pause trading in a security when there are significant price movements. For the foregoing reasons, this rule filing qualifies for immediate effectiveness as a “non-controversial” rule change under paragraph (f)(6) of Rule 19b-4.<sup>9</sup> The Exchange respectfully requests the Commission to waive the 30-day operative delay to allow the Pilot to continue to operate without interruption for the benefit of the marketplace and the investing public.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest,

for the protection of investors, or otherwise in furtherance of the purposes of the Act. II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,<sup>7</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act,<sup>8</sup> in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, extension of the Pilot until the earlier of the initial date of operations of the Plan or February 4, 2014 would allow the Pilot to continue to operate without interruption while the Exchange and the Commission further assess the effect of the Pilot on the marketplace or whether other initiatives should be adopted in lieu of the current Pilot, which contributes to the protection of investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed changes are being made to extend the Pilot until the earlier of the initial date of operations of the Plan or February 4, 2014 would allow the Pilot to continue to operate without interruption until implementation of the Plan, which contributes to the protection of investors and the public interest. Other competing equity exchanges are subject to the same trading pause requirements specified in the Plan. Thus, the proposed changes will not impose any burden on competition while providing trading pause requirements specified in the Plan.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange believes that the proposal qualifies for immediate effectiveness upon filing as a “non-controversial” rule change in accordance with Section 19(b)(3)(A) of the Act<sup>9</sup> and Rule 19b-4(f)(6) thereunder.<sup>10</sup>

The Exchange asserts that the proposed rule change (i) will not significantly affect the protection of investors or the public interest, (ii) will not impose any significant burden on competition, and (iii) by its terms, will not become operative for 30 days after the date

<sup>9</sup> 15 U.S.C. 78s(b)(3)(A).

of this filing, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest. In addition, the Exchange provided the Commission with written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing, or such shorter time as the Commission may designate.

The Exchange believes that this proposal is non-controversial and eligible to become effective immediately because it extends the operation of the Pilot that promotes uniformity across markets concerning decisions to pause trading in a security when there are significant price movements. For the foregoing reasons, this rule filing qualifies for immediate effectiveness as a “non-controversial” rule change under paragraph (f)(6) of Rule 19b-4.<sup>11</sup> The Exchange respectfully requests the Commission to waive the 30-day operative delay to allow the Pilot to continue to operate without interruption for the benefit of the marketplace and the investing public.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
