**Partial Amendment**

Add Remove View

If the self-regulatory organization is amending only part of the text of a lengthy proposed rule change, it may, with the Commission's permission, file only those portions of the text of the proposed rule change in which changes are being made if the filing (i.e. partial amendment) is clearly understandable on its face. Such partial amendment shall be clearly identified and marked to show deletions and additions.

BATS Exchange, Inc. (the “Exchange” or “BATS”) is filing this amendment to SR-BATS-2014-056 (the “Filing”) related to the listing and trading on the Exchange of the shares of the iShares U.S. Fixed Income Balanced Risk ETF (the "Fund"), which was originally filed on December 19, 2014, to add text within the Filing in order to clarify a statement within a footnote regarding investment company securities and futures in which the Fund may invest (Securities Exchange Release No. 73965 (December 30, 2014), 80 FR 585 (January 6, 2015)). Specifically, the Exchange proposes to replace the last sentence in footnote 31 on page 25 of 64 with:

The Exchange also notes that all of the exchange listed investment company securities and futures will trade on markets that are a member of ISG or with which the Exchange has in place a comprehensive surveillance sharing agreement.

The Exchange proposes to make the corresponding changes in the Exhibit 1 of the Filing, specifically replacing the last sentence of footnote 31 on page 56 of 64.

All other representations in the Filing remain as stated therein and no other changes are being made. The Exchange does not view this as a substantive change to the proposal as originally filed, but rather as the correction of a typographical error and believes that this would be generally understood or assumed in the context of the filing. Nonetheless, the Exchange believes that the proposed language clarifies the filing and is thus beneficial and in the public interest. As such, the Exchange believes that the Filing, as amended, continues to meet the requirements of Section 6 of the Securities Exchange

Act of 1934 (the “Act”)<sup>1</sup> along with Section 6(b)(5) of the Act,<sup>2</sup> because no changes are being made beyond the clarifying statement laid out above and all other representations and statements made in the Filing remain the same.
