1. Text of the Proposed Rule Change

(a) Pursuant to the provisions of Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> EDGA Exchange, Inc. (“EDGA” or the “Exchange”) is filing with the Securities and Exchange Commission (the “Commission”) a proposed rule change to amend Rule 11.11, Routing to Away Trading Centers, to delete references to the ROLF routing option, which routed orders to LavaFlow ECN. The Exchange has designated this proposal as non-controversial and provided the Commission with the notice required by Rule 19b-4(f)(6)(iii) under the Act.<sup>3</sup> The Exchange requests that the Commission waive the 30-day pre-operative waiting period contained in Rule 19b-4(f)(6)(iii) under the Act.<sup>4</sup>

The text of the proposed rule change is available on the Exchange’s website at [www.batstrading.com](http://www.batstrading.com), at the Exchange’s principal office and at the Public Reference Room of the Commission.

(b) The Exchange does not believe that the proposed rule change will have any direct or significant indirect effect on any other Exchange rule in effect at the time of this filing.

(c) Not applicable.

2. Procedures of the Self-Regulatory Organization

The Exchange submits the proposed rule change pursuant to authority delegated by the Board of Directors of the Exchange on February 11, 2014. Exchange staff will

3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

(a) Purpose

The Exchange proposes to amend Rule 11.11, Routing to Away Trading Centers, to delete references under subparagraphs (7) and (15) to the ROLF routing option, which routed to LavaFlow ECN. These changes are being proposed in response to LavaFlow ECN ceasing market operations on Friday, January 30, 2015. Under Rule 11.11(g)(7), an order utilizing the ROLF routing option first checked the System<sup>5</sup> for available shares and was then routed to the LavaFlow ECN. If shares remained unexecuted after being routed, they were cancelled, unless otherwise instructed by the User.<sup>6</sup> In addition, under Rule 11.11(g)(15), a User was able to couple the Post to Away option and ROLF routing option. The grouping of the Post to Away and ROLF routing options instructed the System to route and post the order on LavaFlow ECN. As of February 2, 2015, the

---

<sup>5</sup> Exchange Rule 1.5(cc) defines "System" as "the electronic communications and trading facility designated by the Board through which securities orders of Users are consolidated for ranking, execution and, when applicable, routing away."

<sup>6</sup> The term "User" is defined as "any Member or Sponsored Participant who is authorized to obtain access to the System pursuant to Rule 11.3." See Exchange Rule 1.5(ee).

Exchange, via BATS Trading, the Exchange's affiliated routing broker-dealer, was no longer able to route orders to LavaFlow ECN because it ceased operations. As a result, the Exchange no longer offers the ROLF routing option nor permit it to be coupled with a Post to Away routing option. Therefore, the Exchange proposes to delete the ROLF routing option under Rule 11.11(g)(7) as well as a reference to the ROLF routing option under Rule 11.11(g)(15).

(b) Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act<sup>7</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act<sup>8</sup> in particular, in that it is designed to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest. The Exchange does not believe that this proposal will permit unfair discrimination among customers, brokers, or dealers because the ROLF routing option will no longer be available to all Users. The proposed change is in response to LavaFlow ECN ceasing market operations on Friday, January 30, 2015. As of February 2, 2015, the Exchange, via BATS Trading, was no longer able to route orders to LavaFlow ECN and, therefore, proposes to delete references to the ROLF routing option under Rules 11.11(g)(7) and (15). The proposal is intended to make the Exchange's rules clearer and less confusing for investors by eliminating a routing option that is no longer available; thereby removing impediments to

<sup>8</sup> 15 U.S.C. 78f(b)(5).

and perfecting the mechanism of a free and open market and a national market system, and, in general, protecting investors and the public interest.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposal will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not designed to address any competitive issues but rather avoid investor confusion by eliminating a routing option that is no longer made available by the Exchange.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

Not applicable.

6. Extension of Time Period for Commission Action

Not applicable.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)<sup>9</sup> of the Act and Rule 19b-4(f)(6)<sup>10</sup> thereunder. The proposed rule change effects a change that (A) does not significantly affect the protection of investors or the public interest; (B) does not impose any significant burden on competition; and (C) by its terms, does not become operative for thirty (30) days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest; provided that the self-regulatory organization has given the Commission

---

<sup>9</sup> 15 U.S.C. 78s(b)(3)(A).

<sup>10</sup> 17 CFR 240.19b-4(f)(6).

written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission.<sup>11</sup>

The Exchange believes that the proposed rule change meets the criteria of subparagraph (f)(6) of Rule 19b-4<sup>12</sup> because the proposed rule change would clarify the Exchange's rules by eliminating rules that account for a service the Exchange no longer provides. As of February 2, 2015, the Exchange, via BATS Trading, was no longer able to route orders to LavaFlow ECN because it ceased operations on January 30, 2015. The proposal is consistent with the protection of investors or the public interest because it removes references to a routing option that is no longer offered by the Exchange due to the destination trading center ceasing operations. Accordingly, the Exchange has designated this rule filing as non-controversial under Section 19(b)(3)(A) of the Act<sup>13</sup> and paragraph (f)(6) of Rule 19b-4 thereunder.<sup>14</sup>

The Exchange respectfully requests that the Commission waive the 30-day operative delay so that the proposed rule change may become effective and operative upon filing with the Commission pursuant to Section 19(b)(3)(A) of the Act<sup>15</sup> and paragraph (f)(6) of Rule 19b-4 thereunder.<sup>16</sup> Waiver of the operative delay is consistent with the protection of investors and the public interest because it will allow the Exchange

to clarify its rules in a timely manner by eliminating a rule that accounts for a service the Exchange does not provide, thereby avoiding potential investor confusion during the operative delay period. Therefore, Exchange requests that the Commission waive the 30 day operative delay.

At any time within sixty (60) days of the filing of such proposed rule change, the Commission may summarily temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Rule 11.11, Routing to Away Trading Centers, to delete references under subparagraphs (7) and (15) to the ROLF routing option, which routed to LavaFlow ECN. These changes are being proposed in response to LavaFlow ECN ceasing market operations on Friday, January 30, 2015. Under Rule 11.11(g)(7), an order utilizing the ROLF routing option first checked the System<sup>5</sup> for available shares and was then routed to the LavaFlow ECN. If shares remained unexecuted after being routed, they were cancelled, unless otherwise instructed by the User.<sup>6</sup> In addition, under Rule 11.11(g)(15), a User was able to couple the Post to Away option and ROLF routing

<sup>5</sup> Exchange Rule 1.5(cc) defines "System" as "the electronic communications and trading facility designated by the Board through which securities orders of Users are consolidated for ranking, execution and, when applicable, routing away."

<sup>6</sup> The term "User" is defined as "any Member or Sponsored Participant who is authorized to obtain access to the System pursuant to Rule 11.3." See Exchange Rule 1.5(ee).

option. The grouping of the Post to Away and ROLF routing options instructed the System to route and post the order on LavaFlow ECN. As of February 2, 2015, the Exchange, via BATS Trading, the Exchange's affiliated routing broker-dealer, was no longer able to route orders to LavaFlow ECN because it ceased operations. As a result, the Exchange no longer offers the ROLF routing option nor permit it to be coupled with a Post to Away routing option. Therefore, the Exchange proposes to delete the ROLF routing option under Rule 11.11(g)(7) as well as a reference to the ROLF routing option under Rule 11.11(g)(15).

## 2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act<sup>7</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act<sup>8</sup> in particular, in that it is designed to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest. The Exchange does not believe that this proposal will permit unfair discrimination among customers, brokers, or dealers because the ROLF routing option will no longer be available to all Users. The proposed change is in response to LavaFlow ECN ceasing market operations on Friday, January 30, 2015. As of February 2, 2015, the Exchange, via BATS Trading, was no longer able to route orders to LavaFlow ECN and, therefore, proposes to delete

<sup>8</sup> 15 U.S.C. 78f(b)(5).

references to the ROLF routing option under Rules 11.11(g)(7) and (15). The proposal is intended to make the Exchange's rules clearer and less confusing for investors by eliminating a routing option that is no longer available; thereby removing impediments to and perfecting the mechanism of a free and open market and a national market system, and, in general, protecting investors and the public interest.

(B) Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposal will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not designed to address any competitive issues but rather avoid investor confusion by eliminating a routing option that is no longer made available by the Exchange.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has designated this rule filing as non-controversial under Section 19(b)(3)(A) of the Act<sup>9</sup> and paragraph (f)(6) of Rule 19b-4 thereunder.<sup>10</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily temporarily suspend such rule change if it appears to the Commission that such action is: (1) necessary or appropriate in the public interest; (2) for

---

the protection of investors; or (3) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
