Such partial amendment shall be clearly identified and marked to show deletions and additions.

1. Text of the Proposed Rule Change

(a) Pursuant to the provisions of Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act” or “Exchange Act”)¹ and Rule 19b-4 thereunder,² EDGX Exchange, Inc. (“EDGX” or the “Exchange”) proposes to amend Rule 3.13 to update references to recently amended FINRA rules and make a ministerial, non-substantive change. The Exchange has designated this proposal as non-controversial and provided the Commission with the notice required by Rule 19b-4(f)(6)(iii) under the Act.³

(b) The Exchange does not believe that the proposed rule change would have any direct or significant indirect effect on any other Exchange rule in effect at the time of this filing.

(c) Not applicable.

2. Procedures of the Self-Regulatory Organization

The proposed rule change was approved by senior management of the Exchange pursuant to authority delegated by the Board of Directors of the Exchange on February 11, 2014. Exchange staff will advise the Board of Directors of the Exchange of any action taken pursuant to delegated authority. No other action is necessary for the filing of the rule change.

The persons on the Exchange staff prepared to respond to questions and comments on the proposed rule change are:

3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

(a) Purpose

The Exchange proposes to amend Rule 3.13 to update references to a recently amended FINRA rule and make a ministerial, non-substantive change. Rule 3.13(a) prohibits Members from directly or indirectly, giving, permitting to be given, or offering to give anything of value to any person for the purpose of influencing or rewarding the action of such person in connection with the publication or circulation in any electronic or other public media, including any investment service or similar publication, Web site, newspaper, magazine or other periodical, radio, or television program of any matter that has, or is intended to have, an effect upon the market price of any security. The Exchange only proposes to amend paragraph (a) by replacing the term “Web site” with “website”.

Rule 3.13(b) sets forth exceptions to the prohibitions under paragraph (a) set forth above. These exceptions allow for compensation paid to a person in connection with the publication or circulation of: (i) a communication that is clearly distinguishable as paid advertising; (ii) a communication that discloses the receipt of compensation and the amount thereof in accordance with Section 17(b) of the Securities Act; or (iii) a research report, as that term is defined in NASD Rule 2711. Rule 3.13 also contains a provision that states that FINRA is in the process of consolidating certain NASD rules into a new FINRA rulebook. This provision also states that if the provisions of NASD Rule 2711 are transferred into the FINRA rulebook, then Rule 2711 shall be construed to require Exchange members to comply with FINRA rule corresponding to NASD Rule 2711 (regardless of whether such rule is renumbered or amended) as if such rule were part of

the Rules of the Exchange.

The Commission recently approved a proposed rule change by FINRA to transfer NASD Rule 2711 to the FINRA rulebook and renumber it as FINRA Rule 2241.⁴ This was proposed as part of FINRA's process of consolidating certain NASD rules into a new FINRA rulebook. To reflect the approval of this recent FINRA proposed rule change, the Exchange proposes to replace the reference to NASD Rule 2711 with FINRA 2241 under paragraph (b)(3). The Exchange also proposes to delete the provision within Rule 3.13 referencing the transferring of NASD Rule 2711 to the FINRA rulebook as NASD Rule 2711 was transferred to the FINRA rule book as Rule 2241 (described above), as this provision is no longer necessary.

(b) Statutory Basis

The Exchange believes that proposed rule change is consistent with Section 6(b)(5) of the Act,⁵ which requires, among other things, that the Exchange's rules be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanism of a free and open market and a national market system. The Exchange does not propose to amend the prohibition or exceptions of any of its Rule 3.13. The Exchange believes that the proposed rule change would remove impediments to and perfect the mechanism of a free and open market and a national market system by avoiding potential investor and Member confusion by updating cross references to

FINRA rules as a result of the transfer of NASD Rule 2711 to the FINRA rulebook as FINRA Rule 2241 and making a ministerial, non-substantive change. These clarifying changes would remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, protect investors and the public interest.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change would impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange does not propose to amend the prohibition or exceptions of any of its Rule 3.13. The proposed rule change is not designed to address any competitive issues but rather update Rule 3.13 to reflect the recent amendment to a referenced FINRA rule and make a ministerial, non-substantive change.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

6. Extension of Time Period for Commission Action

Not applicable.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The Exchange has designated this rule filing as non-controversial under Section 19(b)(3)(A) of the Act⁶ and paragraph (f)(6) of Rule 19b-4 thereunder.⁷ The Exchange

⁶ 15 U.S.C. 78s(b)(3)(A).

⁷ 17 C.F.R. 240.19b-4.

asserts that the proposed rule change: (1) will not significantly affect the protection of investors or the public interest, (2) will not impose any significant burden on competition, (3) and will not become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate. In addition, the Exchange provided the Commission with written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing.⁸

The Exchange believes that the proposed rule change meets the criteria of subparagraph (f)(6) of Rule 19b-4⁹ because the proposed rule change would not adversely affect investors or the public interest; rather, the proposed rule change will assist in avoiding potential investor confusion by updating Rule 3.13 to reflect the recent amendment to a referenced FINRA rule and make a ministerial, non-substantive change. Accordingly, the Exchange has designated this rule filing as non-controversial under Section 19(b)(3)(A) of the Act¹⁰ and paragraph (f)(6) of Rule 19b-4 thereunder.¹¹

At any time within sixty (60) days of the filing of such proposed rule change, the Commission may summarily temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

Self-Regulatory Organizations; EDGX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change to Amend Rule 3.13, Payments Involving Publications that Influence the Market Price of a Security

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on _____, EDGX Exchange, Inc. (the “Exchange” or “EDGX”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange has designated this proposal as a “non-controversial” proposed rule change pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(6)(iii) thereunder,⁴ which renders it effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Rule 3.13 to update references to a recently amended FINRA rule and make a ministerial, non-substantive change. Rule 3.13(a) prohibits Members from directly or indirectly, giving, permitting to be given, or offering to give anything of value to any person for the purpose of influencing or rewarding the action of such person in connection with the publication or circulation in any electronic or other public media, including any investment service or similar publication, Web site, newspaper, magazine or other periodical, radio, or television program of any matter that has, or is intended to have, an effect upon the market price of any security. The Exchange only proposes to amend paragraph (a) by replacing the term "Web site" with "website".

Rule 3.13(b) sets forth exceptions to the prohibitions under paragraph (a) set forth above. These exceptions allow for compensation paid to a person in connection with the publication or circulation of: (i) a communication that is clearly distinguishable as paid

advertising; (ii) a communication that discloses the receipt of compensation and the amount thereof in accordance with Section 17(b) of the Securities Act; or (iii) a research report, as that term is defined in NASD Rule 2711. Rule 3.13 also contains a provision that states that FINRA is in the process of consolidating certain NASD rules into a new FINRA rulebook. This provision also states that if the provisions of NASD Rule 2711 are transferred into the FINRA rulebook, then Rule 2711 shall be construed to require Exchange members to comply with FINRA rule corresponding to NASD Rule 2711 (regardless of whether such rule is renumbered or amended) as if such rule were part of the Rules of the Exchange.

The Commission recently approved a proposed rule change by FINRA to transfer NASD Rule 2711 to the FINRA rulebook and renumber it as FINRA Rule 2241.⁵ This was proposed as part of FINRA's process of consolidating certain NASD rules into a new FINRA rulebook. To reflect the approval of this recent FINRA proposed rule change, the Exchange proposes to replace the reference to NASD Rule 2711 with FINRA 2241 under paragraph (b)(3). The Exchange also proposes to delete the provision within Rule 3.13 referencing the transferring of NASD Rule 2711 to the FINRA rulebook as NASD Rule 2711 was transferred to the FINRA rule book as Rule 2241 (described above), as this provision is no longer necessary.

2. Statutory Basis

The Exchange believes that proposed rule change is consistent with Section

⁵ See Securities Exchange Act Release No. 75471(July 16, 2015), 80 FR 43482 (July 22, 2015) (SR-FINRA-2014-047).

6(b)(5) of the Act,⁶ which requires, among other things, that the Exchange's rules be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanism of a free and open market and a national market system. The Exchange does not propose to amend the prohibition or exceptions of any of its Rule 3.13. The Exchange believes that the proposed rule change would remove impediments to and perfect the mechanism of a free and open market and a national market system by avoiding potential investor and Member confusion by updating cross references to FINRA rules as a result of the transfer of NASD Rule 2711 to the FINRA rulebook as FINRA Rule 2241 and making a ministerial, non-substantive change. These clarifying changes would remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, protect investors and the public interest.

(B) Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change would impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange does not propose to amend the prohibition or exceptions of any of its Rule 3.13. The proposed rule change is not designed to address any competitive issues but rather update Rule 3.13 to reflect the recent amendment to a referenced FINRA rule and make a ministerial, non-substantive change.

⁶ 15 U.S.C. 78f(b)(5).

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has designated this rule filing as non-controversial under Section 19(b)(3)(A) of the Act⁷ and paragraph (f)(6) of Rule 19b-4 thereunder.⁸ The proposed rule change effects a change that (A) does not significantly affect the protection of investors or the public interest; (B) does not impose any significant burden on competition; and (C) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest; provided that the self-regulatory organization has given the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily temporarily suspend such rule change if it appears to the Commission that such action is: (1) necessary or appropriate in the public interest; (2) for

⁸ 17 C.F.R. 240.19b-4.

the protection of investors; or (3) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
