Partial Amendment

Add Remove View

If the self-regulatory organization is amending only part of the text of a lengthy proposed rule change, it may, with the Commission's permission, file only those portions of the text of the proposed rule change in which changes are being made if the filing (i.e. partial amendment) is clearly understandable on its face. Such partial amendment shall be clearly identified and marked to show deletions and additions.

BATS Exchange, Inc. (the “Exchange” or “BATS”) is filing this Partial Amendment No. 1 to SR-BATS-2016-03 (the “Proposal”), which was originally submitted on February 1, 2016. Pursuant to the Proposal, the Exchange proposed a rule change to list and trade the shares of the Elkhorn Dow Jones RAFI Commodity ETF (the “Fund”) of Elkhorn ETF Trust (the “Trust”) under BATS Rule 14.11(i) (“Managed Fund Shares”). This Amendment No. 1 proposes to make a clarifying change to one sentence that appears in six places within the Filing, as described below. The Exchange believes that this proposed clarifying change, as further described below, is consistent with the act in that it would further clarify the proposal and eliminate potential confusion.

The Exchange is proposing to amend the language that reads: “With respect to the futures contracts and exchange-traded options on futures contracts in which the Subsidiary invests, not more than 10% of the weight (to be calculated as the value of the contract divided by the total absolute notional value of the Subsidiary’s futures and options contracts) of the futures and options contracts held by the Subsidiary in the aggregate shall consist of instruments whose principal trading market is a market from which the Exchange may not obtain information regarding trading in the futures contracts by virtue of: (a) its membership in ISG; or (b) a comprehensive surveillance sharing agreement.” Specifically, the Exchange is proposing to amend the sentence to include the words “and exchange-traded options on futures contracts” after “in the futures contracts” and before “by virtue of: (a) its membership,” such that the sentence would read as follows (underline included under proposed additional language): “With respect to the futures contracts and exchange-traded options on futures contracts in which the Subsidiary invests, not more than 10% of the weight (to be calculated as the value of the

contract divided by the total absolute notional value of the Subsidiary's futures and options contracts) of the futures and options contracts held by the Subsidiary in the aggregate shall consist of instruments whose principal trading market is a market from which the Exchange may not obtain information regarding trading in the futures contracts and exchange-traded options on futures contracts by virtue of: (a) its membership in ISG; or (b) a comprehensive surveillance sharing agreement.”

The Exchange is proposing to make the change in each of the instances in which the language appears in the filing including: in footnote 20 on page 13 of 68; in the carryover paragraph at the top of page 26 of 68; in the carryover paragraph on pages 29 and 30 of 68; in footnote 20 on pages 45 and 46 of 68; in the carryover paragraph on pages 58 and 59 of 68; and in the only full paragraph on page 62 of 68. As noted above, the proposed change represents a non-substantive clarifying change designed to ensure that the language in the proposal is as clear as possible.
