3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change.

(a) Purpose

On December 16, 2015, the Corporation, the ultimate parent entity of the Exchange, filed a registration statement on Form S-1 with the Commission seeking to register shares of common stock and to conduct an initial public offering of those shares, which will be listed for trading on the Exchange (the "IPO"). In connection with its IPO, the Corporation intends to amend and restate its certificate of incorporation (the "New Certificate of Incorporation"). The Exchange previously received Commission approval of certain substantive amendments to the certificate of incorporation of the Corporation that comprise changes included in the New Certificate of Incorporation.⁴ Since that date, the Corporation has determined it to be necessary to further amend its certificate of incorporation to achieve the final, pre-IPO version of the New Certificate of Incorporation. The additional amendments will be achieved through the filing with the State of Delaware of a certificate of amendment to the New Certificate of Incorporation. The additional amendments are described in further detail below.

⁴ See Securities Exchange Act Release No. 77464 (March 29, 2016), 81 FR 19252 (April 1, 2016) (SR-BATS-2016-010; SR-BYX-2016-02; SR-EDGX-2016-04; SR-EDGA-2016-01).

The Exchange, on behalf of the Corporation, proposes changes to the New Certificate of Incorporation in connection with a forward stock split, pursuant to which each share of common stock of the Corporation outstanding or held in treasury immediately prior to the completion of the IPO would automatically and without action on the part of the holders thereof be subdivided into 2.91 shares of common stock (the “Stock Split”).⁵ Accordingly, the number of authorized shares of the Corporation, both in the aggregate and as set forth by class, as codified in paragraph (a)(i) of Article Fourth of the New Certificate of Incorporation, will be adjusted. The Corporation also plans to adjust the preferred stock of the Corporation consistent with the Stock Split. The par value of the Corporation’s common stock will remain \$0.01 per share.

The purpose of this rule filing is to permit the Corporation, the ultimate parent company of the Exchange, to adopt an amendment to the New Certificate of Incorporation, as described in this proposal. The changes described herein relate to the certificate of incorporation of the Corporation only, not to the governance of the Exchange. The Exchange will continue to be governed by its existing certificate of incorporation and bylaws. The stock in, and voting power of, the Exchange will continue to be directly and solely held by Bats Global Markets Holdings, Inc., an intermediate holding company wholly-owned by the Corporation, and the governance of the Exchange will continue under its existing structure.

(b) Statutory Basis

⁵ Common stock consists of voting common stock and non-voting common stock of the Corporation.

The Exchange believes that its proposal is consistent with the requirements of the Act and rules and regulations thereunder that are applicable to a national securities exchange, and, in particular, with the requirements of Section 6(b) of the Act.⁶ In particular, the proposal is consistent with Section 6(b)(1) of the Act, because it retains, without modification, the existing limitations on ownership and total voting power that currently exist and that are designed to prevent any stockholder from exercising undue control over the operation of the Exchange and to assure that the Exchange is able to carry out its regulatory obligations under the Act. Under the proposal, the Corporation is making certain administrative and structural changes to the New Certificate of Incorporation. These changes, however, do not impact the governance of the Exchange nor do they modify the ownership of the Corporation.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change imposes any burden on competition. As described above, the proposed rule change is simply to make certain administrative and structural changes to the New Certificate of Incorporation. These changes do not impact the governance of the Exchange nor do they modify the ownership of the Corporation.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any written comments from members or other interested parties.

⁶ 15 U.S.C. 78f(b).

6. Extension of Time Period for Commission Action

Not applicable.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The Exchange has designated this rule filing as non-controversial under Section 19(b)(3)(A) of the Act⁷ and paragraph (f)(6) of Rule 19b-4 thereunder.⁸ The Exchange asserts that the proposed rule change: (1) will not significantly affect the protection of investors or the public interest, (2) will not impose any significant burden on competition, and (3) and will not become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate. In addition, the Exchange provided the Commission with written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing, or such shorter time as designated by the Commission.⁹ The proposed changes will allow the Corporation to adopt the New Certificate of Incorporation prior to any IPO of shares of the Corporation. Accordingly, the Exchange has designated this rule filing as non-controversial under Section 19(b)(3)(A) of the Act¹⁰ and paragraph (f)(6) of Rule 19b-4 thereunder.¹¹

The Exchange requests that the Commission waive the 30-day operative delay contained in Exchange Act Rule 19b-4(f)(6)(iii).¹² The Exchange requests this waiver so

that the proposal may become operative immediately upon filing. The Corporation's IPO may occur in the near future, and the changes described in this proposal are a critical component of such IPO. Waiver of the operative delay will allow the Corporation to promptly move forward with the IPO without delay. As described above, there are no changes to the provisions of the New Certificate of Incorporation that impact the ownership or governance of the Exchange. Instead, the amendments reflect additional administrative and structural amendments to the New Certificate of Incorporation. Based on the foregoing, the Exchange believes that promptly implementing this change is consistent with the public interest and the protection of investors.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On December 16, 2015, the Corporation, the ultimate parent entity of the Exchange, filed a registration statement on Form S-1 with the Commission seeking to register shares of common stock and to conduct an initial public offering of those shares, which will be listed for trading on the Exchange (the "IPO"). In connection with its IPO, the Corporation intends to amend and restate its certificate of incorporation (the "New Certificate of Incorporation"). The Exchange previously received Commission approval of certain substantive amendments to the certificate of incorporation of the Corporation that comprise changes included in the New Certificate of Incorporation.⁵ Since that date, the Corporation has determined it to be necessary to further amend its certificate of incorporation to achieve the final, pre-IPO version of the New Certificate of

⁵ See Securities Exchange Act Release No. 77464 (March 29, 2016), 81 FR 19252 (April 1, 2016) (SR-BATS-2016-010; SR-BYX-2016-02; SR-EDGX-2016-04; SR-EDGA-2016-01).

Incorporation. The additional amendments will be achieved through the filing with the State of Delaware of a certificate of amendment to the New Certificate of Incorporation. The additional amendments are described in further detail below.

The Exchange, on behalf of the Corporation, proposes changes to the New Certificate of Incorporation in connection with a forward stock split, pursuant to which each share of common stock of the Corporation outstanding or held in treasury immediately prior to the completion of the IPO would automatically and without action on the part of the holders thereof be subdivided into 2.91 shares of common stock (the “Stock Split”).⁶ Accordingly, the number of authorized shares of the Corporation, both in the aggregate and as set forth by class, as codified in paragraph (a)(i) of Article Fourth of the New Certificate of Incorporation, will be adjusted. The Corporation also plans to adjust the preferred stock of the Corporation consistent with the Stock Split. The par value of the Corporation’s common stock will remain \$0.01 per share.

The purpose of this rule filing is to permit the Corporation, the ultimate parent company of the Exchange, to adopt an amendment to the New Certificate of Incorporation, as described in this proposal. The changes described herein relate to the certificate of incorporation of the Corporation only, not to the governance of the Exchange. The Exchange will continue to be governed by its existing certificate of incorporation and bylaws. The stock in, and voting power of, the Exchange will continue to be directly and solely held by Bats Global Markets Holdings, Inc., an intermediate holding company wholly-owned by the Corporation, and the governance of the Exchange

⁶ Common stock consists of voting common stock and non-voting common stock of the Corporation.

will continue under its existing structure.

2. Statutory Basis

The Exchange believes that its proposal is consistent with the requirements of the Act and rules and regulations thereunder that are applicable to a national securities exchange, and, in particular, with the requirements of Section 6(b) of the Act.⁷ In particular, the proposal is consistent with Section 6(b)(1) of the Act, because it retains, without modification, the existing limitations on ownership and total voting power that currently exist and that are designed to prevent any stockholder from exercising undue control over the operation of the Exchange and to assure that the Exchange is able to carry out its regulatory obligations under the Act. Under the proposal, the Corporation is making certain administrative and structural changes to the New Certificate of Incorporation. These changes, however, do not impact the governance of the Exchange nor do they modify the ownership of the Corporation.

(B) Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change imposes any burden on competition. As described above, the proposed rule change is simply to make certain administrative and structural changes to the New Certificate of Incorporation. These changes do not impact the governance of the Exchange nor do they modify the ownership of the Corporation.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

⁷ 15 U.S.C. 78f(b).

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (A) significantly affect the protection of investors or the public interest; (B) impose any significant burden on competition; and (C) by its terms, become operative for 30 days from the date on which it was filed or such shorter time as the Commission may designate it has become effective pursuant to Section 19(b)(3)(A) of the Act⁸ and paragraph (f)(6) of Rule 19b-4 thereunder,⁹ the Exchange has designated this rule filing as non-controversial. The Exchange has given the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (1) necessary or appropriate in the public interest; (2) for the protection of investors; or (3) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

⁸ 15 U.S.C. 78s(b)(3)(A).

⁹ 17 CFR 240.19b-4.
