(a) Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b-4 thereunder,² Bats EDGX Exchange, Inc. Changes to the fee schedule pursuant to this proposal are effective upon filing.

3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change.

(a) Purpose

The Exchange proposes to amend its fee schedule for its equity options platform ("EDGX Options") to modify the Exchange's routing fee code RR, as further described below. The Exchange currently charges flat rate routing fees for executions at away options exchanges⁴ that have been placed into groups based on the approximate cost of routing to such venues. The grouping of away options exchanges is based on the cost of transaction fees assessed by each venue as well as costs to the Exchange for routing (i.e., clearing fees, connectivity and other infrastructure costs, membership fees, etc.) (collectively, "Routing Costs").

With respect to Customer orders in Non-Penny Pilot Securities, the Exchange applies one of two fee codes: (1) fee code RP, which results in a fee of \$0.25 per contract and applies to all Customer orders (including orders in Penny Pilot Securities) routed to and executed at AMEX, BOX, BX Options, CBOE, ISE Mercury, MIAX or PHLX; or (2) fee code RR, which results in a fee of \$1.00 per contract and applies to all Customer orders in Non-Penny Pilot Securities routed to and executed at ARCA, BZX Options, C2,

⁴ Other options exchanges to which the Exchange routes include: Bats BZX Exchange, Inc. ("BZX Options"), BOX Options Exchange LLC ("BOX"), Chicago Board Options Exchange, Inc. ("CBOE"), C2 Options Exchange, Inc. ("C2"), International Securities Exchange, Inc. ("ISE"), ISE Gemini, LLC ("ISE Gemini"), ISE Mercury, LLC ("ISE Mercury"), Miami International Securities Exchange, LLC ("MIAX"), Nasdaq Options Market LLC ("NOM"), Nasdaq OMX BX LLC ("BX Options"), Nasdaq OMX PHLX LLC ("PHLX"), NYSE Arca, Inc. ("ARCA"), and NYSE MKT LLC ("AMEX").

ISE, ISE Gemini or NOM. The Exchange proposes to increase the fee under fee code RR from \$1.00 per contract to \$1.10 per contract to account for additional Routing Costs incurred by the Exchange. The Exchange does not propose any change to fee code RP.

As set forth above, the Exchange's approach to routing fees is to set forth through the use of certain flat fees that approximate the cost of routing to other options exchanges. The Exchange then monitors the fees charged as compared to the costs of its routing services, as well as monitoring for specific fee changes by other options exchanges, and intends to adjust its flat routing fees and/or groupings to ensure that the Exchange's fees do indeed result in a rough approximation of overall Routing Costs, and are not significantly higher or lower in any area. The increase is proposed primarily in order to account for increased Routing Costs incurred by the Exchange.

Implementation Date

The Exchange proposes to implement this amendment to its fee schedule on December 1, 2016.

(b) Statutory Basis

The Exchange believes that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder that are applicable to a national securities exchange, and, in particular, with the requirements of Section 6 of the Act.⁵ Specifically, the Exchange believes that the proposed rule change is consistent with Section 6(b)(4) of the Act,⁶ in that it provides for the equitable allocation of reasonable dues, fees and other charges among members and other persons using any

⁵ 15 U.S.C. 78f.

⁶ 15 U.S.C. 78f(b)(4).

facility or system which the Exchange operates or controls.

With respect to the proposed increase under the Exchange's routing structure, the Exchange notes that it operates in a highly competitive market in which market participants can readily direct order flow to competing venues or providers of routing services if they deem fee levels to be excessive. As explained above, the Exchange seeks to approximate the cost of routing to other options exchanges, including other applicable costs to the Exchange for routing, in order to provide a simplified and easy to understand pricing model. The Exchange believes that a pricing model based on approximate Routing Costs is a reasonable, fair and equitable approach to pricing. Specifically, the Exchange believes that its proposal to modify fees is fair, equitable and reasonable because the fees are generally an approximation of the cost to the Exchange for routing orders to such exchanges. The Exchange believes that its flat fee structure for orders routed to various venues is a fair and equitable approach to pricing, as it will provide certainty with respect to execution fees at groups of away options exchanges. In order to achieve its flat fee structure, taking all costs to the Exchange into account, the Exchange will in some instances charge a higher premium to route to certain options exchanges than to others. As a general matter, the Exchange believes that the proposed fee will allow it to recoup and cover its costs of providing routing services to such exchanges and to make some additional profit in exchange for the services it provides. The Exchange also believes that the proposed increase to the fee structure for orders routed to and executed at these away options exchanges is fair and equitable and not unreasonably discriminatory in that it applies equally to all Members. Finally, the Exchange notes that it intends to consistently evaluate its routing fees, including profit and loss attributable to

routing, as applicable, in connection with the operation of a flat fee routing service, and would consider future adjustments to the proposed pricing structure to the extent it was recouping a significant profit or loss from routing to away options exchanges.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange believes the proposed amendments to its fee schedule would not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. Rather, the proposal is a competitive proposal that is seeking to further the growth of the Exchange and to update the Exchange's fees for routing orders to away options exchanges based on Routing Costs. Additionally, Members may opt to disfavor the Exchange's pricing, including pricing for transactions on the Exchange as well as routing fees, if they believe that alternatives offer them better value. In particular, with respect to routing services, such services are available to Members from other broker-dealers as well as other options exchanges. The Exchange also notes that Members may choose to mark their orders as ineligible for routing to avoid incurring routing fees.⁷ Accordingly, the Exchange does not believe that the proposed change will impair the ability of Members or competing venues to maintain their competitive standing in the financial markets.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any written comments from

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

Pursuant to Section 19(b)(3)(A)(ii) of the Act⁸ and Rule 19b-4(f)(2) thereunder,⁹ the Exchange has designated this proposal as establishing or changing a due, fee, or other charge applicable to the Exchange's Members and non-Members, which renders the proposed rule change effective upon filing.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on _____, Bats EDGX Exchange, Inc. (the "Exchange" or "EDGX") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II and III below, which Items have been prepared by the Exchange. The Exchange has designated the proposed rule change as one establishing or changing a member due, fee, or other charge imposed by the Exchange under Section 19(b)(3)(A)(ii) of the Act³ and Rule 19b-4(f)(2) thereunder,⁴ which renders the proposed rule change effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

⁴ 17 CFR 240.19b-4(f)(2).

⁵ The term "Member" is defined as "any registered broker or dealer that has been admitted to membership in the Exchange." See Exchange Rule 1.5(n).

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its fee schedule for its equity options platform ("EDGX Options") to modify the Exchange's routing fee code RR, as further described below. The Exchange currently charges flat rate routing fees for executions at away options exchanges⁶ that have been placed into groups based on the approximate cost of routing to such venues. The grouping of away options exchanges is based on the cost of transaction fees assessed by each venue as well as costs to the Exchange for routing (i.e., clearing fees, connectivity and other infrastructure costs, membership fees, etc.) (collectively, "Routing Costs").

⁶ Other options exchanges to which the Exchange routes include: Bats BZX Exchange, Inc. ("BZX Options"), BOX Options Exchange LLC ("BOX"), Chicago Board Options Exchange, Inc. ("CBOE"), C2 Options Exchange, Inc. ("C2"), International Securities Exchange, Inc. ("ISE"), ISE Gemini, LLC ("ISE Gemini"), ISE Mercury, LLC ("ISE Mercury"), Miami International Securities Exchange, LLC ("MIAX"), Nasdaq Options Market LLC ("NOM"), Nasdaq OMX BX LLC ("BX Options"), Nasdaq OMX PHLX LLC ("PHLX"), NYSE Arca, Inc. ("ARCA"), and NYSE MKT LLC ("AMEX").

With respect to Customer orders in Non-Penny Pilot Securities, the Exchange applies one of two fee codes: (1) fee code RP, which results in a fee of \$0.25 per contract and applies to all Customer orders (including orders in Penny Pilot Securities) routed to and executed at AMEX, BOX, BX Options, CBOE, ISE Mercury, MIAX or PHLX; or (2) fee code RR, which results in a fee of \$1.00 per contract and applies to all Customer orders in Non-Penny Pilot Securities routed to and executed at ARCA, BZX Options, C2, ISE, ISE Gemini or NOM. The Exchange proposes to increase the fee under fee code RR from \$1.00 per contract to \$1.10 per contract to account for additional Routing Costs incurred by the Exchange. The Exchange does not propose any change to fee code RP.

As set forth above, the Exchange's approach to routing fees is to set forth through the use of certain flat fees that approximate the cost of routing to other options exchanges. The Exchange then monitors the fees charged as compared to the costs of its routing services, as well as monitoring for specific fee changes by other options exchanges, and intends to adjust its flat routing fees and/or groupings to ensure that the Exchange's fees do indeed result in a rough approximation of overall Routing Costs, and are not significantly higher or lower in any area. The increase is proposed primarily in order to account for increased Routing Costs incurred by the Exchange.

Implementation Date

The Exchange proposes to implement this amendment to its fee schedule on December 1, 2016.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder that are applicable to a

national securities exchange, and, in particular, with the requirements of Section 6 of the Act.⁷ Specifically, the Exchange believes that the proposed rule change is consistent with Section 6(b)(4) of the Act,⁸ in that it provides for the equitable allocation of reasonable dues, fees and other charges among members and other persons using any facility or system which the Exchange operates or controls.

With respect to the proposed increase under the Exchange's routing structure, the Exchange notes that it operates in a highly competitive market in which market participants can readily direct order flow to competing venues or providers of routing services if they deem fee levels to be excessive. As explained above, the Exchange seeks to approximate the cost of routing to other options exchanges, including other applicable costs to the Exchange for routing, in order to provide a simplified and easy to understand pricing model. The Exchange believes that a pricing model based on approximate Routing Costs is a reasonable, fair and equitable approach to pricing. Specifically, the Exchange believes that its proposal to modify fees is fair, equitable and reasonable because the fees are generally an approximation of the cost to the Exchange for routing orders to such exchanges. The Exchange believes that its flat fee structure for orders routed to various venues is a fair and equitable approach to pricing, as it will provide certainty with respect to execution fees at groups of away options exchanges. In order to achieve its flat fee structure, taking all costs to the Exchange into account, the Exchange will in some instances charge a higher premium to route to certain options exchanges than to others. As a general matter, the Exchange believes that the proposed fee will

allow it to recoup and cover its costs of providing routing services to such exchanges and to make some additional profit in exchange for the services it provides. The Exchange also believes that the proposed increase to the fee structure for orders routed to and executed at these away options exchanges is fair and equitable and not unreasonably discriminatory in that it applies equally to all Members. Finally, the Exchange notes that it intends to consistently evaluate its routing fees, including profit and loss attributable to routing, as applicable, in connection with the operation of a flat fee routing service, and would consider future adjustments to the proposed pricing structure to the extent it was recouping a significant profit or loss from routing to away options exchanges.

(B) Self-Regulatory Organization's Statement on Burden on Competition

The Exchange believes the proposed amendments to its fee schedule would not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. Rather, the proposal is a competitive proposal that is seeking to further the growth of the Exchange and to update the Exchange's fees for routing orders to away options exchanges based on Routing Costs. Additionally, Members may opt to disfavor the Exchange's pricing, including pricing for transactions on the Exchange as well as routing fees, if they believe that alternatives offer them better value. In particular, with respect to routing services, such services are available to Members from other broker-dealers as well as other options exchanges. The Exchange also notes that Members may choose to mark their orders as ineligible for routing to avoid incurring

routing fees.⁹ Accordingly, the Exchange does not believe that the proposed change will impair the ability of Members or competing venues to maintain their competitive standing in the financial markets.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁰ and paragraph (f) of Rule 19b-4 thereunder.¹¹ At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments
