1. Text of Proposed Rule Change

(a) Pursuant to the provisions of Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b-4 thereunder,² Cboe BZX Exchange, Inc. (the “Exchange”) is filing with the Securities and Exchange Commission (the “Commission”) this proposal to amend a representation made in a rule change previously approved by the Commission relating to the listing and trading of the iShares Gold Strategy ETF (the “Fund”), a series of the iShares U.S. ETF Trust (the “Trust”). The Exchange has designated this proposal as non-controversial and provided the Commission with the notice required by Rule 19b-4(f)(6)(iii) under the Act.³

(b) Not applicable.

(c) Not applicable.

2. Procedures of the Self-Regulatory Organization

(a) The Exchange’s President (or designee) pursuant to delegated authority approved the proposed rule change on May 8, 2018.

(b) Please refer questions and comments on the proposed rule change to Pat Sexton, Executive Vice President, General Counsel and Corporate Secretary, (312) 786-7467, or Kyle Murray, (913) 815-7121, Assistant General Counsel.

3. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

(a) Purpose

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ 17 CFR 240.19b-4(f)(6)(iii).

The shares of the Fund (the “Shares”) were approved for listing and trading on the Exchange under Exchange Rule 14.11(i), which governs the listing and trading of Managed Fund Shares.⁴ The Shares have not yet commenced trading on the Exchange. The Fund is a series of the Trust, which was established as a Delaware statutory trust on June 21, 2011. BlackRock Fund Advisors (the “Adviser”) will serve as the investment adviser to the Fund. The Trust is registered with the Commission as an open-end management investment company and has filed a registration statement on behalf of the Fund on Form N-1A (“Registration Statement”) with the Commission.⁵

The Exchange proposes to amend the Approval Order in order to make clear that the representation that limits Fund holdings in the Subsidiary⁶ to 25% of the Fund’s total assets (the “25% Limitation”) was made to indicate that the Fund will comply with Sub-Chapter M of the Internal Revenue Code of 1986, as amended (the “Internal Revenue Code”), and as such, the 25% Limitation was intended to be measured on a quarterly basis. Specifically, the Exchange is proposing to change the sentence that reads:

References below to the holdings of the Fund, including any restrictions thereon that are described within this proposal, are inclusive of the direct holdings of

⁴ See Securities Exchange Act Release No. 83014 (April 9, 2018), 83 FR 16150 (April 13, 2018) (SR-CboeBZX-2017-023) (the “Approval Order”).

⁵ See Registration Statement on Form N-1A for the Trust, filed with the Commission on November 1, 2017 (File Nos. 333-179904 and 811-22649). The descriptions of the Fund and the Shares contained herein are based, in part, on information in the Registration Statement. The Commission has issued an order granting certain exemptive relief to the Adviser and open-end management companies advised by the Adviser under the Investment Company Act of 1940 (15 U.S.C. 80a-1). See Investment Company Act Release No. 29571 (January 24, 2011) (File No. 812-13601).

⁶ The “Subsidiary” is a wholly owned subsidiary of the Fund that is organized in the Cayman Islands and has the same investment objective as the Fund.

the Fund as well as the indirect holdings of the Fund through the Subsidiary, which may constitute up to 25% of the total assets of the Fund.

The Exchange is proposing to replace that sentence with the following:

References below to the holdings of the Fund, including any restrictions thereon that are described within this proposal, are inclusive of the direct holdings of the Fund as well as the indirect holdings of the Fund through the Subsidiary, which, in compliance with Sub-Chapter M of the Internal Revenue Code of 1986, as amended, may constitute up to 25% of the total assets of the Fund, as determined at the end of each of the Fund's fiscal quarters.

The Exchange believes that this proposed change is a non-controversial change because it is only to clarify that the 25% Limitation is measured on a quarterly basis in compliance with Sub-Chapter M of the Internal Revenue Code. This proposed change regarding the 25% Limitation is the only change covered by this proposal, and all other representations in the Approval Order, including both initial listing requirements and Continued Listing Representations,⁷ remain true and will apply on a continuous basis, as applicable, consistent with Exchange Rule 14.11.

b. Statutory Basis

The Exchange believes that the proposal is consistent with Section 6(b) of the Act⁸ in general and Section 6(b)(5) of the Act⁹ in particular in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to, and perfect the mechanism of, a free and

⁷ As defined in Rule 14.11(a), the term "Continued Listing Representations" means any of the statements or representations regarding the index composition, the description of the portfolio or reference assets, limitations on portfolio holdings or reference assets, dissemination and availability of index, reference asset, and intraday indicative values (as applicable), or the applicability of Exchange listing rules specified in any filing to list a series of securities under Rule 14.11.

open market and, in general, to protect investors and the public interest.

As described above, all of the Continued Listing Representations which formed the basis for the Commission in approving the Approval Order remain true and will continue to constitute listing requirements for the Fund with the exception of the single representation that the Exchange is proposing to make clearer. This proposed change will only make clear the basis for and timing of the calculation of the 25% Limitation and is not proposing to make any substantive changes to the types or amounts of any particular instrument that the Fund can hold. As such, the Exchange believes that the proposal is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to, and perfect the mechanism of, a free and open market and a national market system, and, in general, to protect investors and the public interest.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange believes that making clear the timing of the calculation of and the basis for the 25% Limitation will have no impact on competition.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

6. Extension of Time Period for Commission Action

Not applicable.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated

Effectiveness Pursuant to Section 19(b)(2)

The Exchange believes that the foregoing proposed rule change may take effect upon filing with the Commission pursuant to Section 19(b)(3)(A)¹⁰ of the Act and Rule 19b-4(f)(6) thereunder¹¹ because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) by its terms, become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate.

Furthermore, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file a proposed rule change under that subsection at least five business days prior to the date of filing, or such shorter time as designated by the Commission. The Exchange has provided such notice.

The Exchange believes that its rule change proposal is appropriate for filing on an immediately effective basis under paragraph (f)(6) of Rule 19b-4. The Exchange believes the proposed rule change will not significantly affect the protection of investors or the public interest because the proposal is only intended to make clear the timing requirements and the basis for the 25% Limitation and is not making any other changes to any of the Continued Listing Representations included in the Approval Order that formed the basis for the Commission's approval. As such, the Exchange believes that the proposal raises no substantive issues for the Commission. For the foregoing reasons, the Exchange believes this rule change filing qualifies for immediate effectiveness as a "non-

¹¹ 17 CFR 240.19b-4(f)(6).

controversial” rule change under paragraph (f)(6) of Rule 19b-4.¹²

The Exchange respectfully requests that the Commission waive the 30-day operative delay so that the proposed rule change may become effective and operative upon filing with the Commission pursuant to Section 19(b)(3)(A) of the Act¹³ and paragraph (f)(6) of Rule 19b-4 thereunder.¹⁴ Waiver of the 30-day operative delay will allow the Fund to immediately operate under the certainty of the application of the 25% Limitation proposed in this proposal and provide the same clarity to investors as well. The Exchange does not believe that there is any reason for delay when the proposal is only designed to make clear that the 25% Limitation will only be measured on a quarterly basis and is designed to comply with Sub-Chapter M of the Internal Revenue Code. The Exchange believes that waiver of the operative delay is consistent with the protection of investors and the public interest for the reasons described above.

At any time within 60 days of the filing of this proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The shares of the Fund (the "Shares") were approved for listing and trading on the Exchange under Exchange Rule 14.11(i), which governs the listing and trading of Managed Fund Shares.⁵ The Shares have not yet commenced trading on the Exchange. The Fund is a series of the Trust, which was established as a Delaware statutory trust on June 21, 2011. BlackRock Fund Advisors (the "Adviser") will serve as the investment adviser to the Fund. The Trust is registered with the Commission as an open-end management investment company and has filed a registration statement on behalf of the Fund on Form N-1A ("Registration Statement") with the Commission.⁶

⁵ See Securities Exchange Act Release No. 83014 (April 9, 2018), 83 FR 16150 (April 13, 2018) (SR-CboeBZX-2017-023) (the "Approval Order").

⁶ See Registration Statement on Form N-1A for the Trust, filed with the Commission on November 1, 2017 (File Nos. 333-179904 and 811-22649). The descriptions of the Fund and the Shares contained herein are based, in part, on information in the Registration Statement. The Commission has issued an order

The Exchange proposes to amend the Approval Order in order to make clear that the representation that limits Fund holdings in the Subsidiary⁷ to 25% of the Fund's total assets (the "25% Limitation") was made to indicate that the Fund will comply with Sub-Chapter M of the Internal Revenue Code of 1986, as amended (the "Internal Revenue Code"), and as such, the 25% Limitation was intended to be measured on a quarterly basis. Specifically, the Exchange is proposing to change the sentence that reads:

References below to the holdings of the Fund, including any restrictions thereon that are described within this proposal, are inclusive of the direct holdings of the Fund as well as the indirect holdings of the Fund through the Subsidiary, which may constitute up to 25% of the total assets of the Fund.

The Exchange is proposing to replace that sentence with the following:

References below to the holdings of the Fund, including any restrictions thereon that are described within this proposal, are inclusive of the direct holdings of the Fund as well as the indirect holdings of the Fund through the Subsidiary, which, in compliance with Sub-Chapter M of the Internal Revenue Code of 1986, as amended, may constitute up to 25% of the total assets of the Fund, as determined at the end of each of the Fund's fiscal quarters.

The Exchange believes that this proposed change is a non-controversial change because it is only to clarify that the 25% Limitation is measured on a quarterly basis in compliance with Sub-Chapter M of the Internal Revenue Code. This proposed change regarding the 25% Limitation is the only change covered by this proposal, and all other representations in the Approval Order, including both initial listing requirements and

granting certain exemptive relief to the Adviser and open-end management companies advised by the Adviser under the Investment Company Act of 1940 (15 U.S.C. 80a-1). See Investment Company Act Release No. 29571 (January 24, 2011) (File No. 812-13601).

⁷ The "Subsidiary" is a wholly owned subsidiary of the Fund that is organized in the Cayman Islands and has the same investment objective as the Fund.

Continued Listing Representations,⁸ remain true and will apply on a continuous basis, as applicable, consistent with Exchange Rule 14.11.

2. Statutory Basis

The Exchange believes that the proposal is consistent with Section 6(b) of the Act⁹ in general and Section 6(b)(5) of the Act¹⁰ in particular in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to, and perfect the mechanism of, a free and open market and, in general, to protect investors and the public interest.

As described above, all of the Continued Listing Representations which formed the basis for the Commission in approving the Approval Order remain true and will continue to constitute listing requirements for the Fund with the exception of the single representation that the Exchange is proposing to make clearer. This proposed change will only make clear the basis for and timing of the calculation of the 25% Limitation and is not proposing to make any substantive changes to the types or amounts of any particular instrument that the Fund can hold. As such, the Exchange believes that the proposal is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to, and perfect the mechanism of, a free and open market and a national market system, and, in general, to protect investors

⁸ As defined in Rule 14.11(a), the term “Continued Listing Representations” means any of the statements or representations regarding the index composition, the description of the portfolio or reference assets, limitations on portfolio holdings or reference assets, dissemination and availability of index, reference asset, and intraday indicative values (as applicable), or the applicability of Exchange listing rules specified in any filing to list a series of securities under Rule 14.11.

and the public interest.

(B) Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange believes that making clear the timing of the calculation of and the basis for the 25% Limitation will have no impact on competition.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (A) significantly affect the protection of investors or the public interest; (B) impose any significant burden on competition; and (C) by its terms, become operative for 30 days from the date on which it was filed or such shorter time as the Commission may designate it has become effective pursuant to Section 19(b)(3)(A) of the Act¹¹ and paragraph (f)(6) of Rule 19b-4 thereunder,¹² the Exchange has designated this rule filing as non-controversial. The Exchange has given the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission.

¹¹ 15 U.S.C. 78s(b)(3)(A).

¹² 17 CFR 240.19b-4.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (1) necessary or appropriate in the public interest; (2) for the protection of investors; or (3) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
