

Technology and New Products (“TNP”) Meeting Update

Reference ID: C2018053101

Overview

Cboe offers a monthly TNP conference call for Cboe customers that has focused mainly on technology and business topics of interest to Trading Permit Holders (“TPHs”) trading on Cboe options exchanges (i.e. Cboe Options, C2 Options, BZX Options and EDGX Options) and Cboe Futures Exchange (“CFE”). Going forward, Cboe plans to expand the range of topics to include trading on Cboe’s BZX, BYX, EDGA and EDGX equities exchanges as well as other Cboe product offerings.

Schedule

The TNP conference call will continue to be held monthly on the Monday following standard 3rd- Friday expirations. The next call is scheduled for June 18, 2018 at noon CT.

TNP Meeting Invitations and Agendas

Interested parties can request to be added to the TNP meeting distribution list by contacting Cboe Market Structure and Functionality, Cboe Operations Support Center, Cboe Trade Desk, or CFE Trade Desk. An agenda of topics to be covered at the monthly meeting will be distributed in advance of each meeting.

Additional Information
