

## Equipment and Communications on the Trading Floor

Reference ID: C2018101904

### Overview

No person in a trading crowd or on the trading floor of the Exchange may use any communication device for the purpose of recording activities in the trading crowd or maintaining an open line of continuous communication whereby a non-associated person not located in the trading crowd may continuously monitor the activities in the trading crowd.

### Details

The use of headsets by Trading Permit Holders (TPHs) will continue to be allowed in the VIX open outcry trading pit, as stated in Rule 6.23, provided the TPH headset(s) are turned off and removed from the trading pit when the TPH associated to the headset(s) leaves the trading crowd for any period of time during the trading session.

### Additional Information

Questions regarding this notice may be directed to Floor Officials, Market Structure and Functionality and to the Cboe Operations Support Center (OSC).

We appreciate your business and remain committed to powering your potential with Cboe products, technologies and solutions.
