

Changes to Available Expirations for SPX PM-Settled Options

Reference ID: C2019052200

Overview

Commencing May 28, 2019, Cboe Options will begin offering five Monday and five Wednesday Weekly expirations for SPX PM-settled (option symbol: SPXW) options. This update changes a previously announced listing schedule [notice](#). The below SPXW Monday and Wednesday Weekly expirations will be listed to effect this change.

Listing Date	SPXW Wednesday Expirations
May 28, 2019	June 26, 2019 - (Regularly scheduled)
	July 3, 2019 - (Additional)

Listing Date	SPXW Monday Expirations
May 31, 2019	July 1, 2019 - (Regularly scheduled)
	July 8, 2019 - (Additional)

Additionally, consecutive standard 3rd Friday SPXW option expirations will be reduced from six to five. As a result of this change, the SPXW December 20, 2019 expiration will be listed after July expiration. For standard 3rd Friday SPX AM-settled (SPX) options, Cboe will continue to maintain six consecutive expirations.
