

Cboe Announces Update to VIX Options Opening Trigger for the Regular Trading Hours Session

Reference ID: C2019111502

Overview

Applicable Cboe Exchange: Cboe Options

Effective December 9, 2019, VIX options will open using a time-based Opening Trigger for the Regular Trading Hours ("RTH") session on the Cboe Options ("C1") Exchange, *subject to regulatory review*.

Technical Details

The current opening for VIX options in the RTH session is triggered by the first tick of the underlying spot index. Upon the effective date, the opening of VIX options during RTH will be time-based and commence at 9:30 a.m. ET.

Testing Opportunities

The new time-based Opening Trigger will be enabled in the C1 Certification environment on November 18, 2019.
