

## Cboe Global Index Platform Notifications

**Reference ID:** C2019092400

### **Overview**

Please be advised that notifications regarding the Cboe Global Index platform are available at <https://markets.cboe.com/us/indices/notices/>. The Cboe Global Index platform is the Cboe system that delivers real-time index values on over 500 products.

In addition, customers wishing to receive Index platform related email updates can request to subscribe by emailing [osc@cboe.com](mailto:osc@cboe.com).

Currently, the following categories of Index notifications are available for subscription:

- Index Values
- System Status
- Fee Schedule
- Trade Desk Updates (e.g. feature or function updates)
- Schedule Updates (holiday schedules and key test date updates)
- Trader E-News (weekly Cboe bulletin covering updates across all Cboe-operated platforms)
- Market Data Notifications

### **More Information**

Please contact the Cboe Operations Support Center or the Index Data Group for support or with any questions related to Cboe's Global Index products.

We appreciate your business and remain committed to powering your potential with Cboe products, technologies, and solutions.
