

## Fraudulent Web Site Alert

Reference ID: C2019091601

Cboe recently learned of a website – “cboe-trading.com” – through which an entity purportedly named “Cboe-Trading” was soliciting investors. The website has been disabled. Prior to the website being disabled, the entity falsely claimed to be an affiliate of Cboe and suggested that it was the same as Cboe’s affiliate, Cboe Trading, Inc. (Cboe Trading, Inc. is a routing broker-dealer registered with the SEC and used by our U.S. equity and options exchanges for linkage to other market centers).

**Please be warned that any entity or person associated with the disabled cboe-trading.com website were NOT connected or affiliated in any way with Cboe or any of its affiliates, including Cboe Trading, Inc. Any assertion of such a connection or affiliation was and is false and misleading.**

Please contact the Cboe Trade Desk with any questions. We appreciate your business and remain committed to powering your potential with Cboe products, technologies, and solutions.
