Transport Layer Security Minimum Version Requirement - Postponed

Reference ID: C2019082500

Overview

Please be advised that Cboe has postponed the enforcement of a minimum version of TLS 1.2 or higher (previously announced) until further notice. Cboe will send an updated announcement once a new production date has been agreed for this change.

We appreciate your business and remain committed to powering your potential with Cboe products, technologies, and solutions.

Please contact the Cboe Trade Desk for support or with any questions.
