

Update - Cboe Options Regulatory Report Cards Available on Cboe Customer Web Portal

Reference ID: C2019062801

Overview

Cboe Global Markets is pleased to announce that effective **July 1, 2019**, Members will be able to download regulatory report cards for the Cboe BZX, C2, and EDGX Options Exchanges (“the Exchanges”) via the Cboe Customer Web Portal.

Technical Details **(UPDATED)**

Regulatory report cards provide firms with data designed to assist in supervising regulatory obligations, to comply with the Rules of the Exchanges. Firm Account Administrators may grant user access to the regulatory report cards using the User Management tool within the Cboe Customer Web Portal.

Firm specific report cards will be created daily and will be provided in a downloadable .csv file format. Reports will generally be available for download on a ~~T+1~~ **T+2** basis. Members will be able to filter reports by date on the Customer Web Portal. The report cards page is accessed via the link in the **Cboe Exchange Tools** section of the Customer Web Portal.

Details regarding the availability on the effective date of specific report cards are as follows:
