

## Additional Remote Town Hall: Silexx Support for Listed Options

Reference ID: C2020040202

### Overview

#### **Applicable Cboe Exchange:** Cboe Options

An additional Town Hall has been scheduled for those that are not able to attend the April 2, 2020 meeting.

In response to client feedback, Cboe Silexx is pleased to announce the expedited introduction of support for listed options. In addition to current support for FLEX options, new features will allow for more efficient order handling in a fully electronic environment, including support for AIM order entry with up to 10 contras using the "Quick Ticket".

### Cboe Silexx Remote Town Hall Details

A remote town hall on Silexx functionality will be held on **Friday April 3, 2020 at 3:30 p.m. CT**. At this meeting, Cboe will present various Silexx features that will be available to support listed options.

Attendees are encouraged to join the meeting five minutes prior to the planned start time. The presentation will be limited to 100 participants. If you are not able to attend, the presentation will be recorded for later review.
