

## Cboe Options Exchange Compression Forum Commencing April 1, 2020

Reference ID: C2020033103

### Overview

#### **Applicable Cboe Exchange:** Cboe Options

Effective 2:00 am CT April 1, 2020, Cboe Options Exchange (“the Exchange”) will host an electronic compression forum for SPX and SPXW options classes. Unless other notification is provided, the forum will continue during regular and global trading hours until 3:15 pm CT on May 15, 2020.

Per [previous guidance](#), electronic compression executions may occur at any time during the forum. Position files for the next trading day must be uploaded each business day by 6:00 pm CT utilizing the existing [Compression Forum Manager site](#).

The Exchange will continue to provide submitting participants with a combo match file, but a series-by-series match file determined by strike will no longer be provided.

### Additional Information

Please contact the Cboe Trade Desk or your Business Development contact for support or with any questions.

We appreciate your business and remain committed to powering your potential with Cboe products, technologies, and solutions.
