

Reminder: BATS to Participate in Industry-Wide SIFMA BCP Test on Saturday, October 29, 2011

Overview

The BATS BYX Exchange, BATS BZX Exchange and BATS Options Exchange will be participating in the SIFMA Annual Disaster Recovery test which is scheduled to take place on Saturday, October 29, 2011 from 8:00AM – 1:00PM ET. All symbols will be made available for order entry. BATS systems will start up as normal and be made available for connectivity as early as 7:30AM ET. All Members are encouraged to participate in this Industry-Wide test which will allow for BATS Disaster Recovery testing as follows.

BZX Exchange

The BZX Exchange will operate out of the secondary data center in Nutley, NJ for the SIFMA BCP test. Members with connectivity to the secondary site of the BZX Exchange will be allowed to connect to this site, submit orders and receive market data for the duration of the test. For each member port in the primary data center there is an analogous port in the secondary data center that is ready for connection.

Please note that the BZX Exchange will not be operating out of the secondary site (Nutley, NJ) on the day after Thanksgiving as it has in the past. This is the only opportunity on schedule for the remainder of the year to test trading capabilities to the secondary site.

BYX Exchange

The BYX Exchange will operate out of the primary data center in Weehawken, NJ for the SIFMA BCP test. Members performing testing from their own Disaster Recovery sites will be allowed to connect to the primary data center to submit orders and receive market data for the duration of the test.

BATS Options

BATS Options will operate out of the primary data center in Weehawken, NJ for the SIFMA BCP test. Members performing testing from their own Disaster Recovery sites will be allowed to connect to the primary data center to submit orders and receive market data for the duration of the test.

Registration

Members who wish to participate do not need to register with BATS.

Technical Support

The BATS Trade Desk (913.815.7001) and NOC (913.815.7005) will be available for support for the duration of the test.

For More Information

Please contact the BATS Trade Desk or your Director of Sales with any questions. We appreciate your continued support of BATS and look forward to earning more of your business. As always, we are committed to our Members and to Making Markets Better.
