### **Overview**

Please be advised that in coordination with the other exchanges and market participants, BATS BYX Exchange and BZX Exchange will be extending today's test window to 4:30 p.m. ET. Closing auctions for BATS-listed test symbols will be held at 4 p.m. ET, and there will be a 30 minute post-market trading session.

Per NYSE, in the case "N" and "A" are not available, they plan to hold opening and closing auctions for NYSE listed securities on the NYSE Arca platform using market participant ID "P" on the consolidated tape.
