

REMINDER: BATS Secondary Site Relocating to Chicago

Overview

As a reminder, BATS will be moving its Secondary Site for the BATS BZX Exchange from the BT Radianz datacenter at 492 River Road in Nutley, NJ to the SAVVIS CH4 datacenter at 350 E. Cermak in Chicago, IL.

Please note that in conjunction with the BZX Exchange migration BATS will be making Secondary Site services available for the BATS BYX Exchange as well as BATS Options Exchange.

In addition to accepting connections for the Secondary Site in the SAVVIS CH4 datacenter, BATS will also accept connections in the Equinix CH1 datacenter at 350 E. Cermak.

Secondary Site Migration Schedule*

Target Date	Milestone
<i>In Progress</i>	<i>BATS NOC is working with Members, including those with existing connectivity in Nutley, to discuss connectivity to our new Chicago Secondary Site.</i>
DONE	Basic connectivity testing for new BZX Exchange, BYX Exchange, and BATS Options Secondary Site logical port assignments are now available.
DONE	Added multicast addresses for Chicago Secondary Site to the Multicast PITCH technical specification.
6/29/12	Secondary Site in Chicago will be available for connecting and heartbeating to TCP/IP connections daily for all BATS U.S. markets.
7/21/12	Weekend Test Opportunity for Secondary Site for all BATS U.S. markets - Order entry and market data testing will be made available at 350 Cermak.
8/6/12 (updated from 8/3/12)	Secondary Site in Chicago will be fully active for all BATS U.S. Markets. BZX Exchange Secondary Site in Nutley will be taken offline.

* While target dates are subject to change, any updates will be communicated to Members via email.

Physical Port Fees

Physical connections to BATS at 350 E. Cermak will be assessed port fees effective August 2012 as follows (*pending filing with the SEC*):

- 1G physical ports: \$1,000 per month for each single physical port
- 10G physical ports: \$2,500 per month for each single physical port

Technical Support

Please contact the BATS NOC (913.815.7005) with any questions related to this data center migration.

For More Information

Refer to the following technical specification:

- [BATS US Equities/Options Connectivity Manual](#)
- [BATS US Equities/Options Multicast PITCH Specification](#)

Please contact the BATS NOC or your Director of Sales with any additional questions. We appreciate your continued support of BATS and look forward to earning more of your business. As always, we are committed to our Members and to Making Markets Better.
