

## Cboe to Observe Moment of Silence on Monday, August 5, 2019

### **Overview**

Cboe will join other market participants in observing a one minute moment of silence at 9:20 a.m. ET this morning to pay respect to those impacted by the shootings in Dayton, El Paso, and Gilroy.

While trading will not be affected, we encourage market participants to join us in silent tribute to the fallen and those affected by these tragedies.

Please contact the Cboe Trade Desk or your Director of Sales with any questions.
